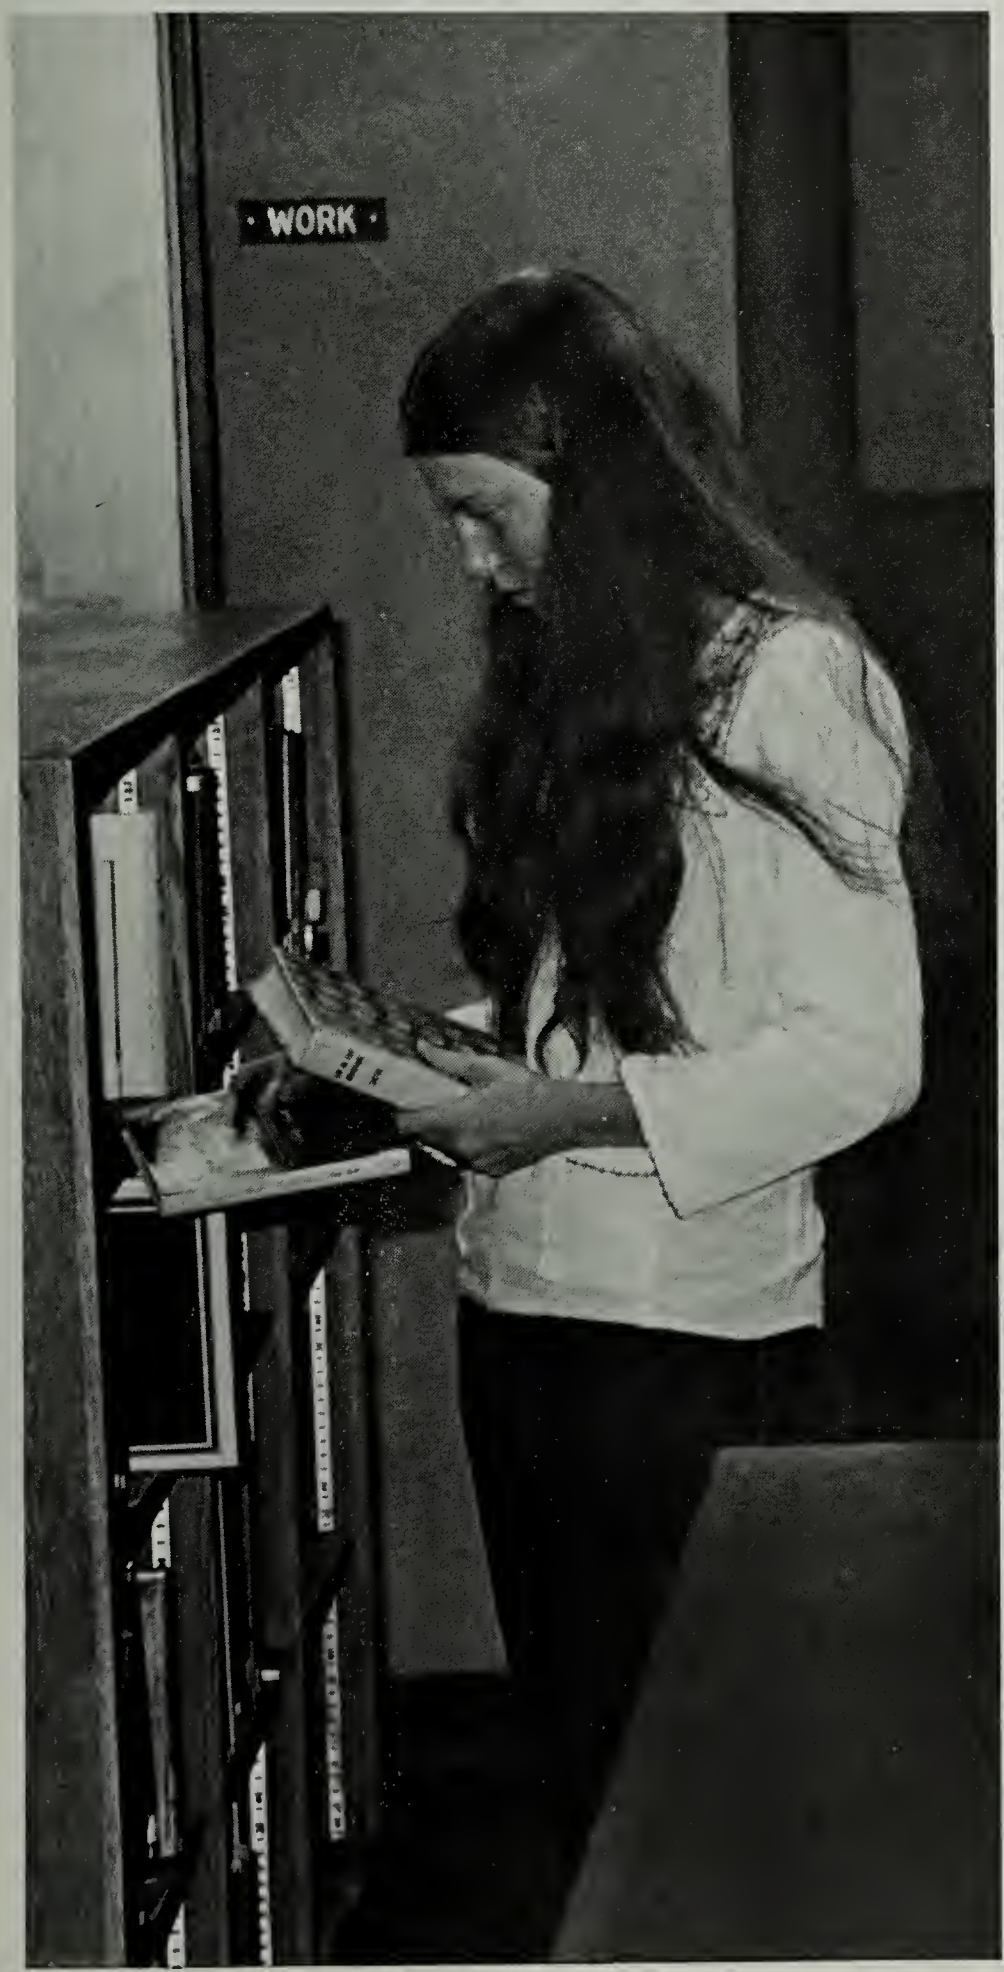
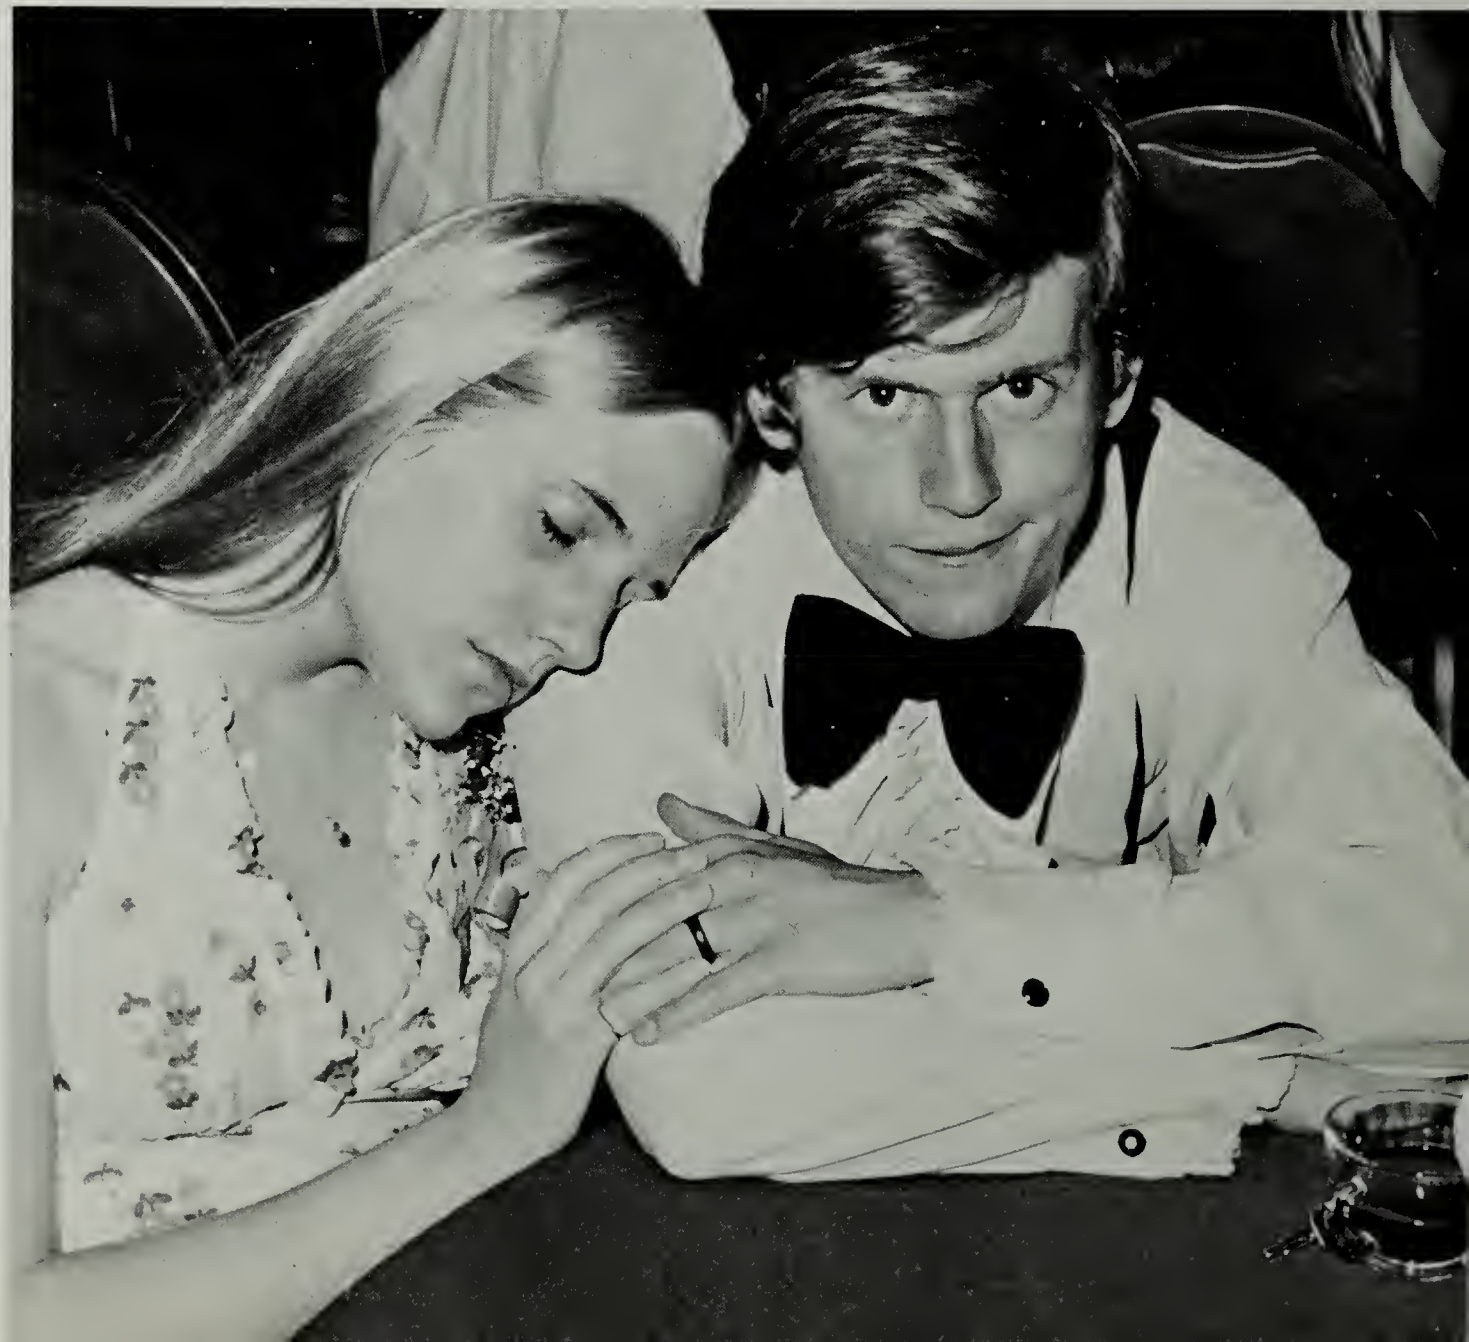
SCHOOL LIFE



WORK

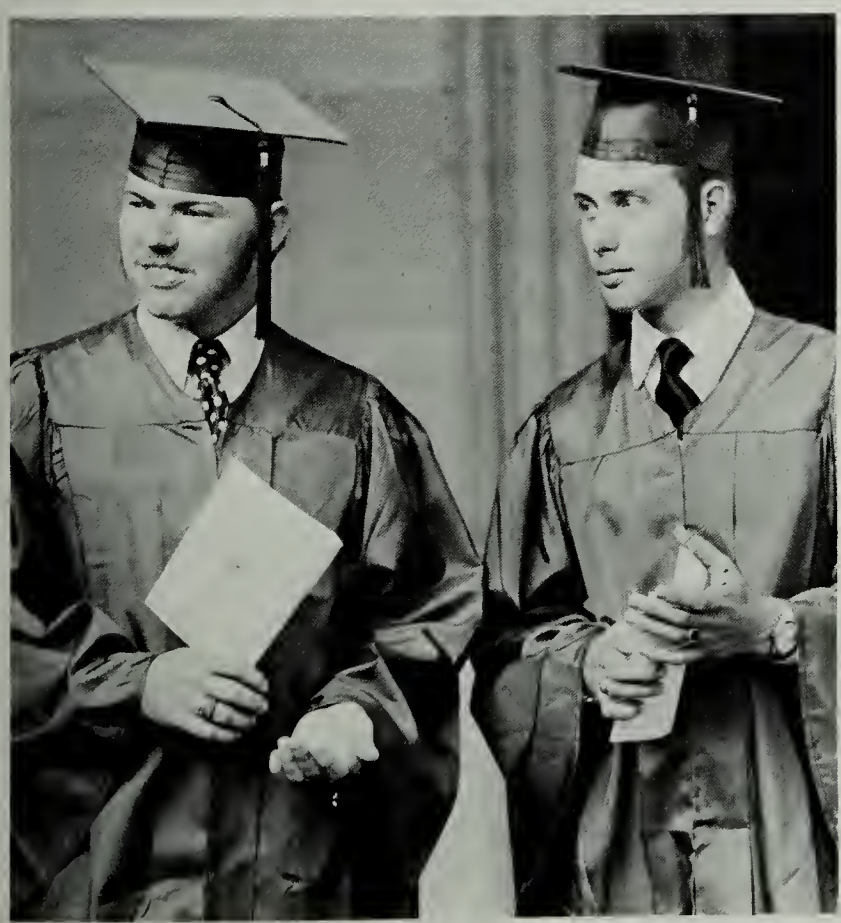


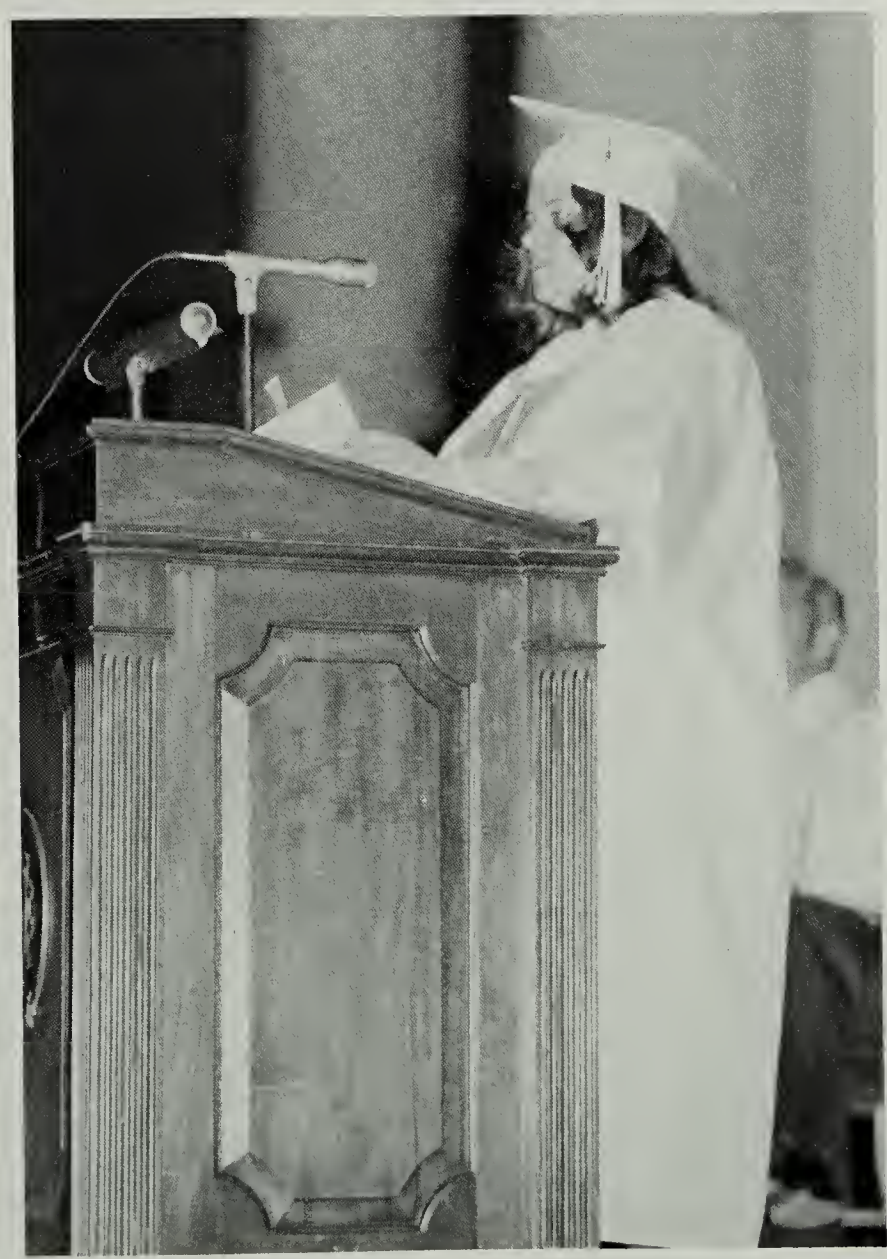
The Roaring 20's: Vampy, Romantic, Exciting

Stepping into a room full of magic,
A spellbound dream from childhood,
Circles of friends snaking through tables
Wrapped in red cloths; candles aflame
Illuminating the romance; the faces . . .
Young girls swirling and dancing
Fast, slow, now they boogie . . .
The music is alive; it is now—
Laughter penetrates the mind
Subduing the voices with his own;
He says, "Prom Queen: Becky Hulshizer".

Graduation Brings Anticipation to Seniors

Graduation is a time for sadness, joy, and anticipation. Although tears were shed in remembrance of past times, past joys, past friends, and past experiences, we look forward to days ahead. Each person has a new future, a new life, ahead of him. Each person has mountains of dreams to climb, rivers made of aspirations to cross, and worlds within their minds to explore.





Contestants Find Glamour and Excitement

The annual F.H.A. Beauty Contest puts a spotlight on the beauties of Mt. Vernon High School. The girls are judged on their appearance and on their poise. Linda Spofford won the coveted title of Miss Mount Vernon for 1973-74. Last year, as an added attraction, the girls chose one of their own number as Miss Congeniality. Mt. Vernon's first Miss Congeniality was Rhesa Olson.

Wild, Unpredictable
Entertainment

Brain and Brawn, Not Beauty, Are Needed

Whispered plans and strategies prevailed before the powder puff game between the juniors and the seniors. The game was won by the Seniors 13-12. Despite the aches and pains of grueling practices, there was mounting excitement as the day drew near. It was in good spirit and fun, mainly, that they prepared for the meeting. As the girls battled it out between themselves, the guys cheered them on from the side lines.

Mt. Vernon Dramatics Provide Social and Cultural Activies

Junior Float Wins First Place

Keystoners, Munchkins, and Hot Air Ballons

Missy Fischer, Janet Kutchmanich

Floats were fashioned after old movies: The freshmen presented "Around the World in 80 Days"; the sophomores aired their imaginations in "Keystone Cops"; the juniors, the winning float, was "American Graffiti", and the seniors presented "Wizard of Oz". As the princesses paraded onto the field, the drums began the traditional roll, and after a suspenseful moment, Mary Ann Danforth was crowned Homecoming Queen. The night took an even greater air of festivity as the Majors stomped Edison by a magnificent 38-0. To wind up the week the Homecoming Dance was the following night. With much laughter, dancing, and congratulations to the queen, everyone was in the best of moods. The entire week was a definite success.

Homecoming Festivities . . .

Pep Rallies Help Build Teams' Morale

Spirit . . . the essence of a football game, basketball game, wrestling match, and the many other activities that are cheered in Mt. Vernon's fieldhouse.

Spirit resounded through the halls this year at pep rallies as the classes complete for the "pep jug" each week.

The Marching Majors along with the cheerleaders helped the crowds generate winning spirit.

Atheletes' Achievements Honored at Banquet

The Sports' Awards Banquet gave an opportunity to give special recognition to those athletes who have shown outstanding qualities, not only in their athletic ability, but also in their sportsmanship. The evening was highlighted by the presentation of game footballs to Matt Hanley and Steve Tyson since both had been expected to star on the varsity football team, but could not compete because of injuries.

"Good Morning, This Is Radio Mt. Vernon"

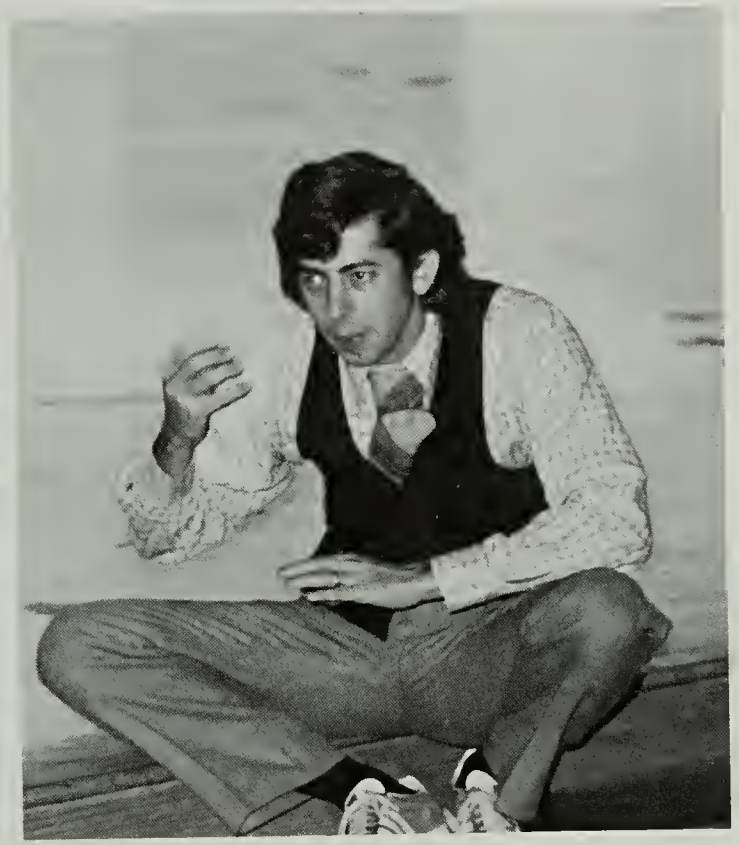
Every morning this sentence came from the golden throats of "D.J.'s" Greg Coates and Eric Wilson, telling students that they could expect a "morning of music" to fill the halls of M.V. High.

Versatility . . .

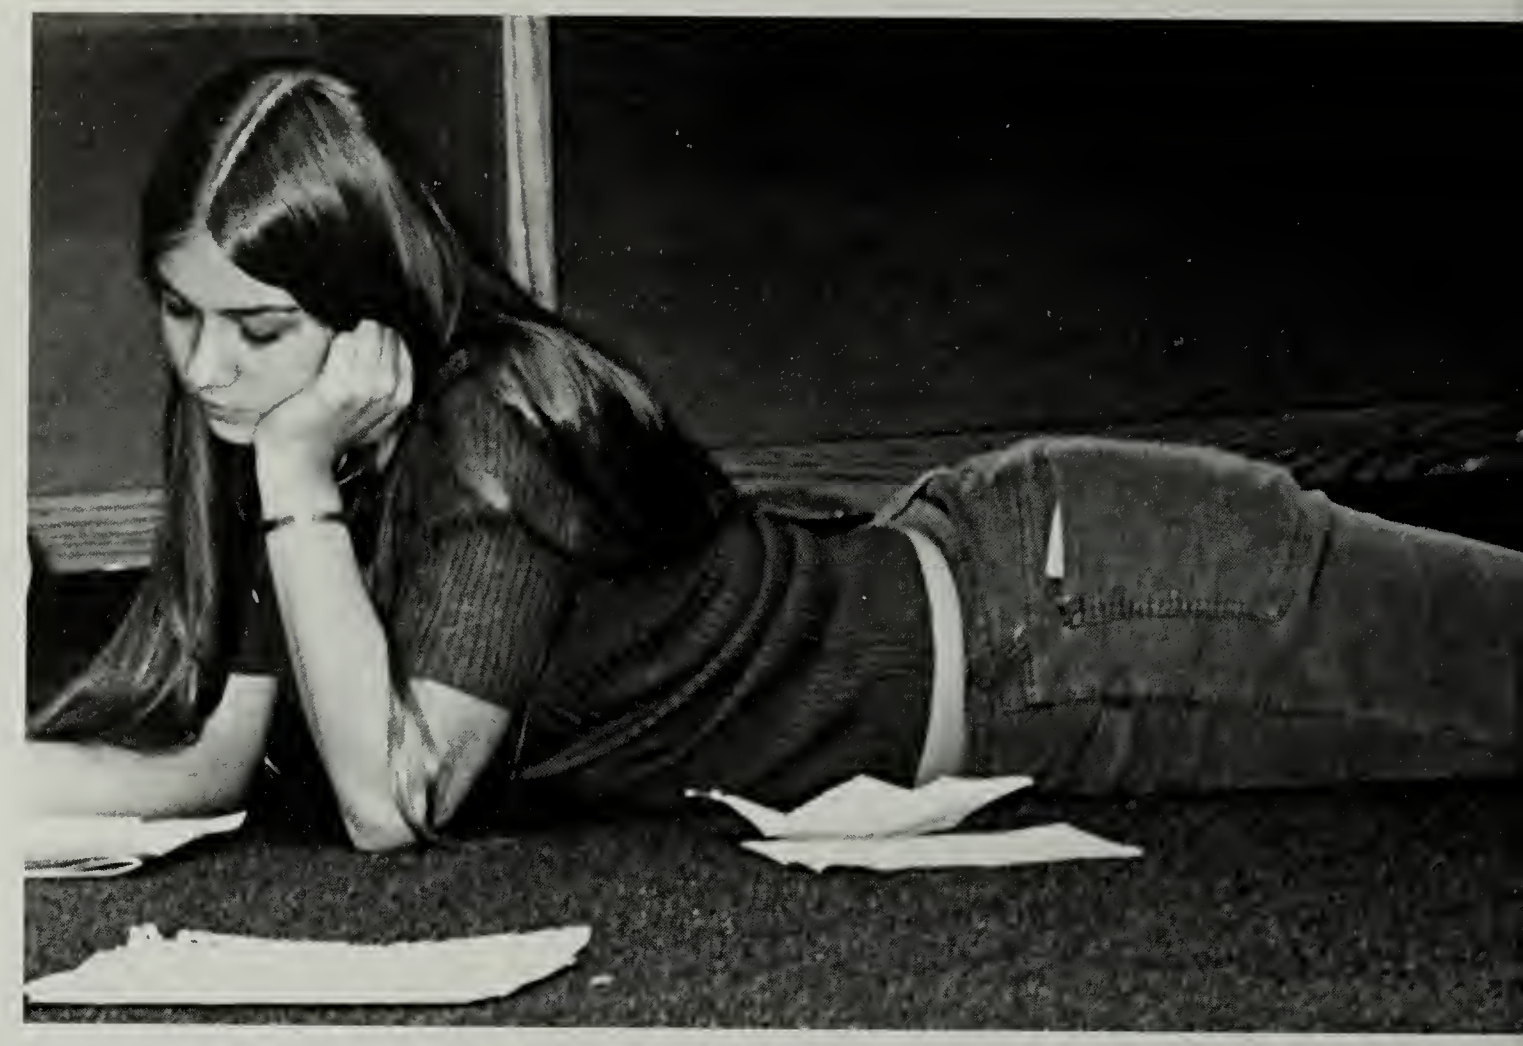
Talent lies in other places for M.V. John Sotos, Mike Gormley, and Chuck Lee, as well as their fellow teammates, worked together to make the It's Academic team the best it could possibly be and it was. Mt. Vernon took a close second place in their competition against both Walter Johnson High School and Bishop McNamera.

It has been said that all work and no play makes Mt. Vernon a dull school—so, Aldine Hammaker, John Sotos, and Denis Borum used their ingenuity last November and added a light touch for those students whose day needed brightening. The three of them could be seen walking through the Media Center, in the cafeteria, loping down the hall smiling at the curious glances.

They make up our school . . . and working together the talents of Mt. Vernon, no matter how big or small, add to our knowledge, amusement, and ultimate growth.



Drama Workshop Enhances Student Knowledge



"School"

To some, school is merely a distraction. There is too much living to do to have to sit and listen. There are more ways to learn than from a book or a teacher. You can always learn from your surroundings if you pay attention. And if you must listen to someone who doesn't interest you, you can pay attention to what is going on elsewhere. Living is learning. These pages are dedicated to those who know how to live.

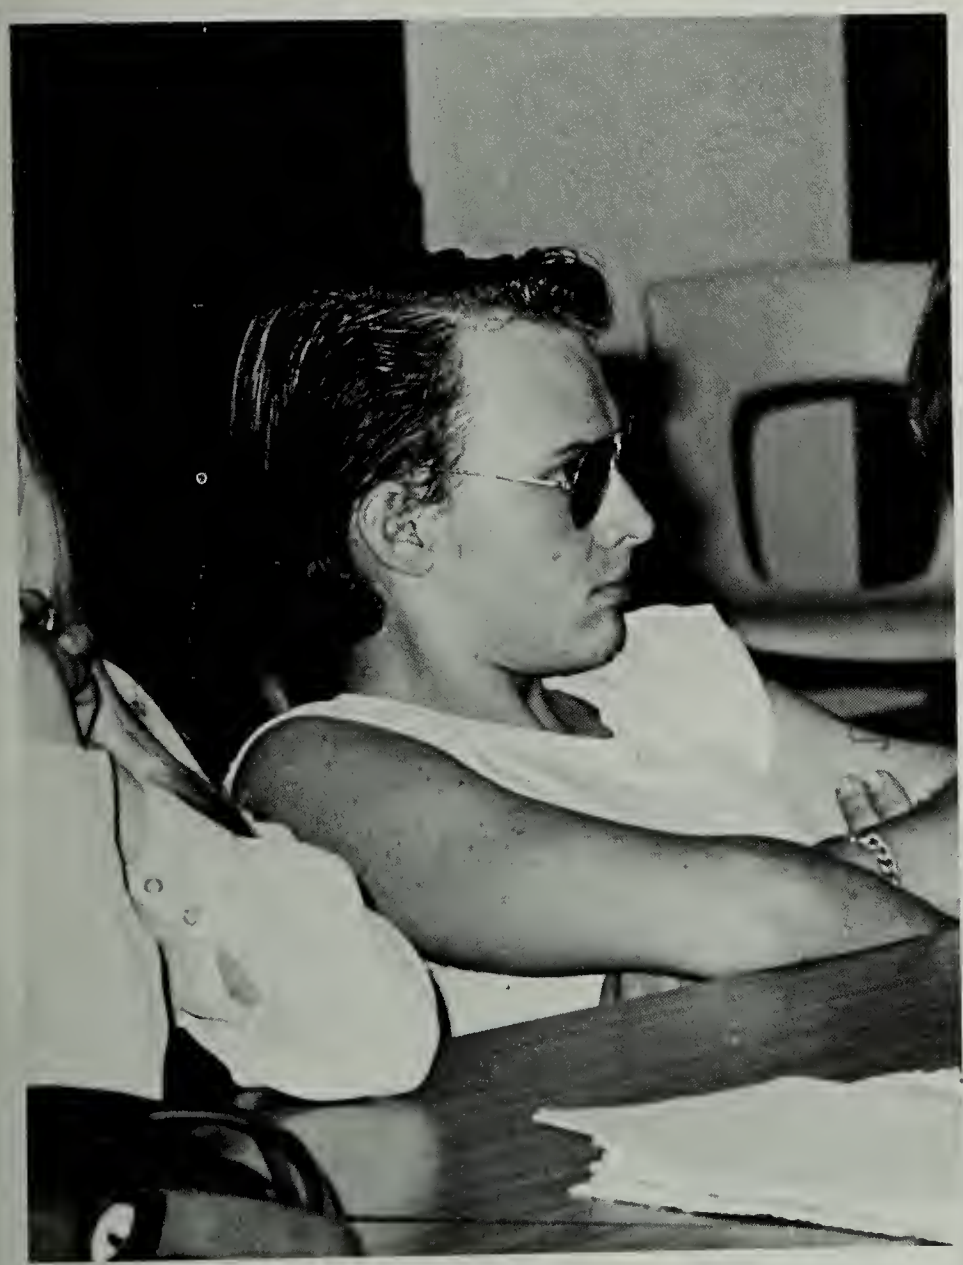
Mike Yuhas and Company

Early this year, a graduate of Mt. Vernon returned for an evening of music. He was, of course, Mike Yuhas. With him was Faisia Baine, (a junior at M.V.), also on guitar, and our own Mr. Clark reading peotry. Opinions agreed that the show was a success. Mike and Faisia played their own combinations and sounded much like the group Crosby, Stills, Nash and Young. With that combination, they could not lose.

The 50's

A good size crowd milled into the cafeteria and surveyed the scene. Loafers and saddle shoes, white socks . . . peg-leg jeans and T-shirts for the guys, along with leather jackets, DA's and "shades", and for the girls—knee length skirts, and blouses topped with sweaters, along with ponytails and pigtails with ribbons and bows were seen.

This nostalgic dance on January 18, 1975 and was a hugh success. Harvey Hubcap and the Do Run Runs lived up to the great expectations of the jitterbuggers and twisters.



Faculties Show Spunk

The Mt. Vernon-Fort Hunt faculty basketball game was a total success this year, not even dimmed by the victory of the Federals. Amidst the cheers and shouting of fans, Mr. Sparling proved to be the high scorer of the evening, astounding everyone with his 23 points.

Red faced Mr. Moffat and Mr. Hyer demonstrated what two principals can really do, while Mr. Gauderout, Mr. Patrick and Mr. McFeature were also among the Majors' top players.

It's Christmas

The Christmas spirit settled over Mt. Vernon this year and mellowed even the worst temper. Parties were unofficially given, carols were hummed absent-mindedly while going to class, and to top off the week before vacation, Mr. Kaz (or was it Mr. Kaz?) walked around impersonating Mr. Claus. To round off the old year, candy canes were sent to sweethearts and friends and finally Christmas vacation was here.

here's the real thing

The Book Store, the Book Nook, and the Snack Bar are three ways that organizations have earned money this year.

The Book Store is operated by the Vocational Department and sells school needs.

The Book Nook is sponsored by the Senior Honor Society. Much of the planning organization was done by Terie Wadsworth, Vice-president of the Senior Honor Society. Old and New books can be bought for low prices, and can be traded when the reader has finished.

Although the Snack Bar was much disputed, it has proved to be a success. Sponsored by the Student Government, profits can be earned by different clubs by the upkeep and care of the room.

AMERICANA

Even before the school year starts, the Student Government Association begins their work. work.

This year's S.G.A., under the "Debbie Hale Administration", was quite active. Among some major accomplishments were the Student Handbook, the snack bar, the Greaser Dance and the magazine campaign.

A newly formed section, the Activities Development Council, is made up of club representatives and is a vital decision-making unit in the student government.

Contrary to popular belief the S.G.A. is not just a ceremonial group of officers. All members cooperate among themselves for the benefit of all.

The Senior Honor Society tries to recognize all students who exhibit leadership ability, scholarship, willingness to serve others and good character. Each member of the Senior Honor Society should exhibit all of these traits.

With Kevin Spence as President, the Society has moved to take a much more active role in day-to-day life in Mt. Vernon. Among their many projects were the paperback Book Nook and tutoring students with academic difficulties.

The Junior Honor Society, like its counterpart, is simply an organization that recognizes exceptional students. Under the guidance of Mrs. Bjorklund, the society gathers together to honor freshman and sophomores who have achieved at least a 3.2 average. The J.H.S. not only strives to help others, but also to provide enrichment and entertaining activities for its members.

Mary Jo Shine and Karen Bizier expand their knowledge.

Where Stars Are Made . . .

The International Thespian Society with Wayne Oshima as President and Marianne Bess as Vice-President put together some very good performances.

Early in the year, the Thespians put on "The Prisoner of Second Avenue". A superb job was done by the actors, actresses, and crew. Next on their agenda was "Anne of a Thousand Days", the story of Anne Boleyn, one of the eight wives of Henry VIII of England.

The Stage-Lighting Crew did an exceptional job this year. Led by Eric Wilson and Barry Signorelli, the crew worked the lights for all performances in the Little Theatre.

This year's Mt. Vernon Band was heavily awarded and highly esteemed by area experts. Starting with a second place finish in the Tobacco Festival in Norfolk, the Marching Majors were considered one of the top marching bands in Northern Virginia.

The Stage, Symphonic and Concert Bands also excelled. Many members of all three of these bands were honored individually by being named to All-Regional Band. Congratulations to Director of Bands James Dash and Band President Aldine Hammaker for these honors.

Due to the extreme size of all of the bands (almost 400 participants), we have not been able to identify all of the members on the correct pages, however, all of the members have been identified in the index.

Pep Club

This year's Pep Club assumed a bigger role in school life than ever before. The club was active both in school-oriented activities and enthusiastic cheering at all sorts of sporting events. Much of the club's energy was spent in the form of being locker pals for many of the winter sports participants. This was much appreciated by these little recognized but much deserving athletes.

Newly Formed Honor Society

The Modern Music Masters is a group who practices the fine art of choral and instrumental music. Their main objective is to be able to perform several recitals a year.

This is the first year for this club at Mount Vernon. The Music Masters is a nation-wide organization, and Mount Vernon's Modern Music Masters is proud to be a part of it.

Cheerleaders Are Essential for Spirit . . .

The Cheerleaders were an essential element in the development of spirit during the various sports seasons. The Varsity Squad, led by Mary Ann Danforth, urged the Majors on to victory at every game, showing us their talent and overwhelming versatility. Following the Varsity Squad's lead, the Junior Varsity Squad performed outstandingly as they sparked many fans and led chants of "Go, team, Go!"

As talented as these two squads were, the Freshman Squad was not to be left out. They showed great promise for the future and next year's Varsity and Junior Varsity Squads will be greatly enhanced by the presence of these experienced and spirited girls.

The Mount Vernon Choral Department under the leadership of Miss Louise Hopkins, performed in front of many packed audiences.

The Madrigals performed at places aside from the school, particularly during the holiday season. Performing equally as well was the Concert Choir.

The Boys Barbershop Quartet was a comical sidelight which contrasted with the rest of the more serious department.

Other groups who performed well throughout the year included the Select Girls Chorus and the Beginning Girls Chorus.

Service for both the school and society is the goal for the Mount Vernon Keyettes. Service for the school was shown by such projects as: the Faculty Pancake Breakfast, hosting the College Night Banquet, and acting as guides for many occasions.

Service for society was shown by sponsoring a bloodmobile, helping to teach handicapped children to swim, holding a carnival against Muscular Dystrophy, and helping entertain the elderly at Oak Meadows Nursing Home. The Keyettes strive to help others as well as having the satisfaction of accomplishing their goals.

This year's Key Club has been extremely active. Their initiation of a Major Mascot was a long standing joke during the football season. The Key Club continued its tradition of cleaning the stadium after games and parking cars during the game.

The Major Outlook with Cam Kent as editor was a successful venture. The Key Club also sponsored the "Join A Club Week", a week in which the various clubs presented themselves hopefully to increase club membership.

The Spanish Club has been active in many cultural activities including participation in the International Dinner and the Christmas dinner for members' parents.

Under the sponsorship of Mr. Vaughn, the club was open to those who share an interest in the language and customs of Spain.

A trip to Spain in the Spring is another activity planned by the Spanish Club.

Spanish Honor Society

A real love and aptitude in Spanish are two of the many characteristics that make up a member of the Spanish Honor Society.

A study of Spain, it's culture and customs, is conducted by the Society's members.

Their planned trip to Spain during Easter break as well as their numerous outings to Spanish restaurants should be quite successful.

They Come, They Read, They Learn

The Junior Classical League was engaged in many enriching exercises this year. They studied mythology and related topics and listened to many recordings of Latin Arts. The club also provided cultural background to better "educate" students.

An interest in Latin and its importance was the primary reason for the Junior Classical League, although membership was open to all.

With an interest in a common foreign language, these German students aim to have fun doing German oriented activities. In order to obtain funds for visiting a German restaurant, the club had the usual money-making projects such as, bake sales, candy sales, and car washes. The club also plans to go ice-skating and have German festivals complete with German delicacies.

Nuances Are Found in the Concepts of Government

A new club on the MV scene this year is the Social Studies Forum. It is for those students who are interested in politics and government. In the fall they went on a three day excursion to Fairfax High School to participate in the forming of a model United Nations. Each person was a delegate from some country and they went through the actual steps of being in the U.N. The club is planning another excursion in the spring, which will be the North American Invitational Model United Nations.

Art and Forensics Show a Cultural View

"He had paid too much for his whistle." "Hear the sledges with the bells . . ."

These quotations are quite familiar to many people in forensics. Members compete with area high schools in events such as Boys and Girls extemporaneous Speaking, Prose, and Poetry Readings, and Oral Interpretation.

Speaking is an art. These members with the help of Ms. Ellie Rose, certainly worked their art to perfection.

Math Team

The mighty mathematicians of Mt. Vernon High School swept on undaunted by the many crises in their path. When the energy crisis threatened to put a stop to all math meets, a compromise allowed them to compete without leaving the environs of Mt. Vernon. An added attraction this year was easy access to the school's computer terminals. Almost any day after school, one or more of the team's members can be found diligently working on some problem's solution.

Bible Club: Assuming a More Active Role In the Day to Day Lives of the Students

The Bible Club has had several interesting experiences this year. These included a couple who crusade from campus to campus trying to convert more "brethen" to the cause of Christ and daily prayer sessions in E105. Other activities include picnics, roller skating, bike trips, and the "Remnant", a song group which visited many local churches to share in song and testimony.

Learning the fine art of today's businesses is the main goal of the distributive Education Club of America. The DECA club at Mt. Vernon is a member of the national DECA organization which is partly responsible for the training of thousands of high school students for fruitful and productive careers in the American job market. DECA also encourages students to schedule work study programs which enable students to earn and learn at the same time.

Business Motto: Practice Makes Perfect!

In today's society, succeding in the business world is not easy. The Future Business Leaders of America has given students the opportunity to "get a head start". They not only learn their trade through books, but also through practice. President Christie Davis helped the club along in their goal for a business career.

Due to the FBLA, these students can now move one step farther down the road to success.

"Girls' Sports Count Too!"

The goal and purpose of Third World Athletics is to provide girls with the equal opportunity to participate in sports. This new club was started and sponsored by the Girls' Physical Education Staff. These girls have participated in competetive sports such as Basketball and Tennis.

Their main action thus far has been to form a service group whose function is to raise money for Girls' Sports. Their famous motto for this year was "Girl's Sports Count Too."

The Ski Club Travels . . .

"As I put on my skis to race down the slopes of this lofty mountioan. I wonder of I'll make it." Such is a passing thought in the minds of ski-clubbers.

This year, the Club has been active on the high school racing circuit. Making a trip to Vermont, they were pleasantly greeted with fourteen inches of snow. They are planning another trip, this time to Pennsylvania, where the slopes will again see the skiing students of M.V. Hi. With even more trips in the planning, it is hoped that the energy crisis does not reappear to spoil them.

Preparing For Tomorrow's Society . . .

In today's society there are few things more difficult than being a modern homemaker. To help prepare girls for the tasks of being both a mother and a wife in today's changing world, the future homemakers discussed at their meetings such diverse topics as childcare, food preparation, interior decorating and budget planning.

Future Teachers of America

Teaching methods have changed over the years. As a result, there is a new breed of teachers coming along. It is a goal of the Future Teachers of America to anticipate these changes and to prepare future teachers for them. This year's club was a success as many left the school confident in their abilities to instruct others.

Teaching is a learning process as well, and it is hoped that these meetings will further prepare the participants to become "Future Teachers of America."

Science Club

This year's science club was marked by a well-organized attempt to help students both in and out of the organization with in-school projects. The only stipulation was that the student was interested and willing to work. This year's president, John Sotos, was an experienced officer who helped the club reach its desired role as an extension of programs offered at Mt. Vernon.

The Young, Gifted, and Black Club is designed to enable students to better understand themselves and one another by gaining knowledge of the Black Culture.

To achieve their purpose, the group endeavors to provide a basis for activities of interest for black students. In the past year the club has been on cultural field trips, movies, and has raised funds through various activities.

School Paper Changes Face

With several experienced journalists and Mrs. Meredith Finn at the controls, the Em Vee Hi Staff, picked up steam early in the year.

The "meaty" issues of school life were seldom missed by these industrious staff members. They reported on the many events which occured at Mt. Vernon quite expertly.

The greatest part of this experience was that these students took an active part in the publication of journalistic talent.

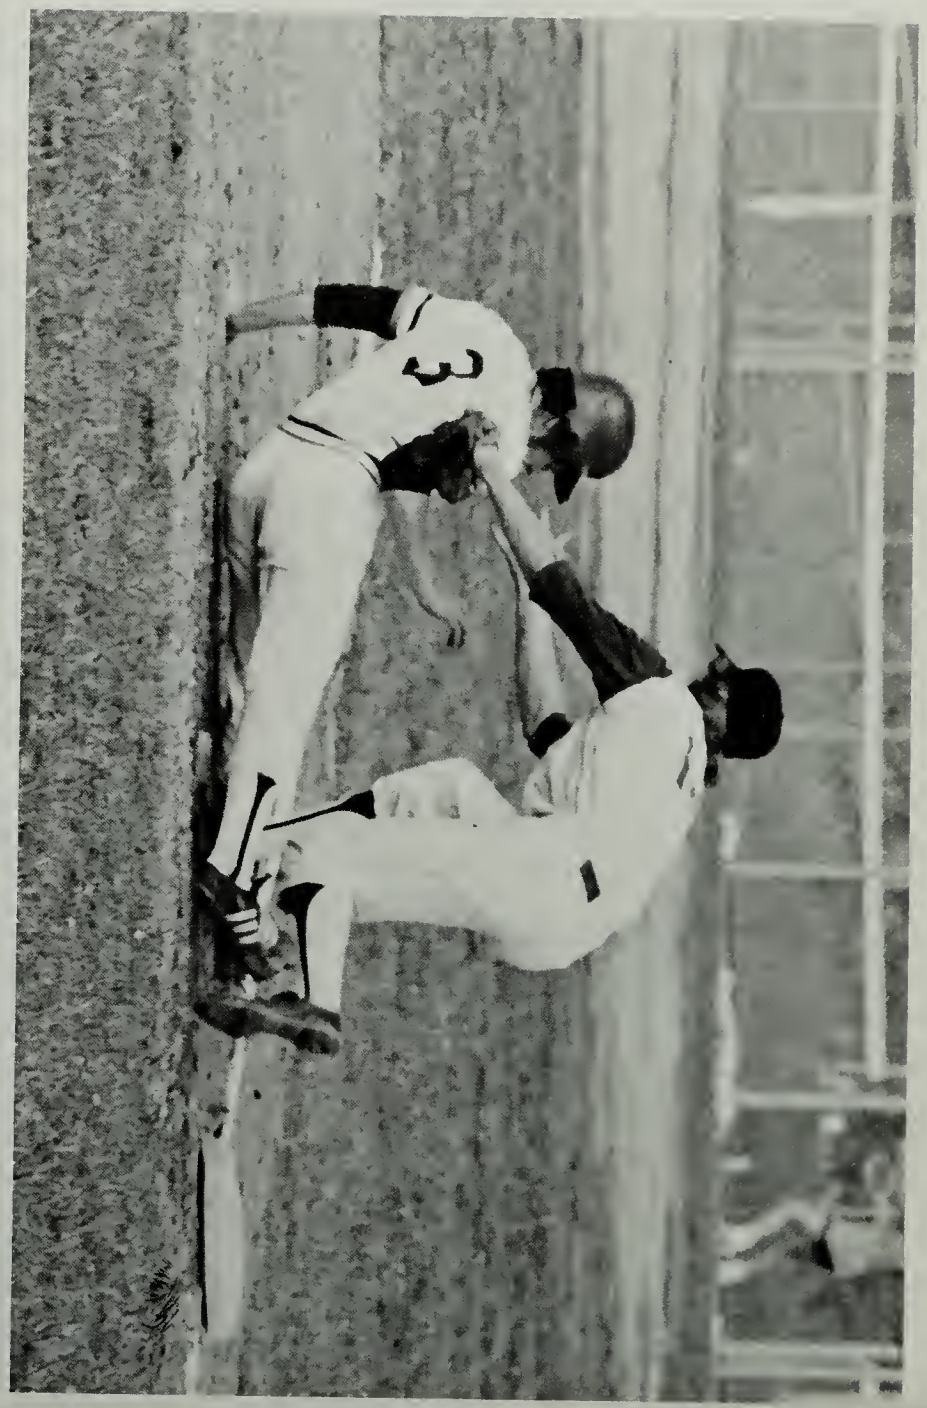
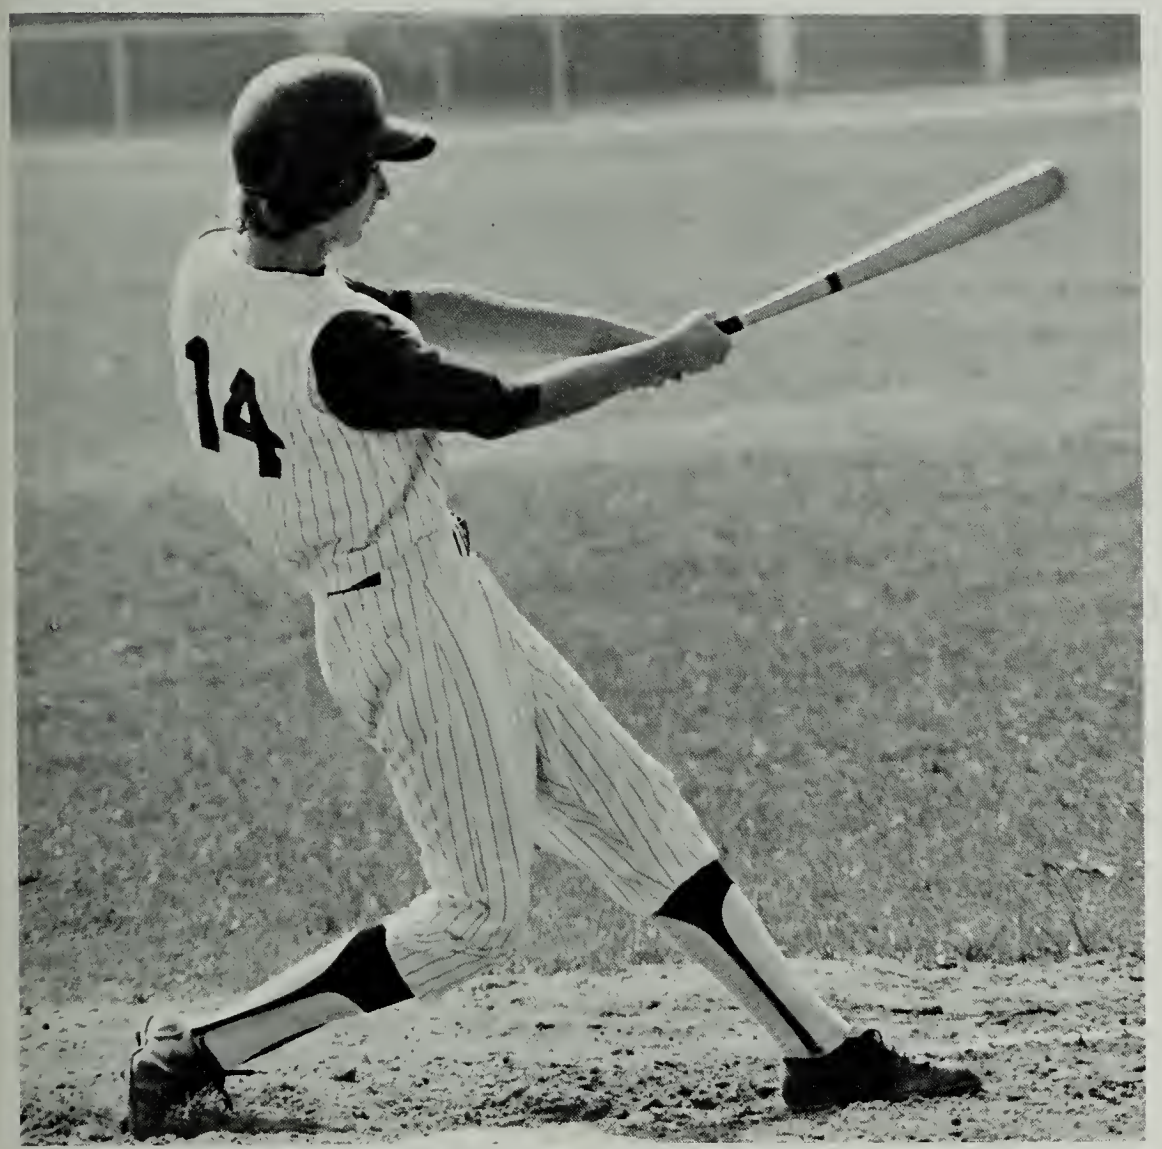
SPRING '74



Trying Times Are Times For Trying



Despite last season's moderate record, the Mt. Vernon "diamond" boys displayed a lot of determination and strength on the mound. The pitching staff was led by Atley Hammaker, who will be returning along with four others in the upcoming season. The offensive attack was led by Dale Richter with a .300 batting average. The Major's record, 4-15, by no means tells the whole story. Most of the team's losses were one point decision providing tough competition.

Junior Majors Have Successful Season

J.V. Baseball—*FIRST ROW:* K. Hartman, P. Hammock, B. Donaldson, D. Freaney, R. Roger, J. Griffith, D. Walters. *SECOND ROW:* Coach Foglio, P. Thompson, M. Cassasa, C. Clubb, A. Hobbs, B. Rock, J. Williams.

The baseball season last year marked an outstanding pitcher, Bob Rock, who with a 4-0 record helped save two important games of the season. Two of the prominent hitters were Alan Hobbs, with a .419 batting average, Rob Ciccone .310. During the middle of the season the team hit upon a four game losing streak, but made a fantastic comeback winning their last three and finishing with a 9-5 record.

Last year saw Mount Vernon's first organized Freshman baseball team. Coach Sparling commented on the cooperation among the players, making the results of the season an overall team effort. After many hours of hard work and diligent practice, the season ended in a tight 4.4 record.

Freshman Baseball—*FIRST ROW:* G. Gillison, S. Hammock, M. Crytzer, R. Butler. *SECOND ROW:* J. Daniels, B. Phillips, J. McGuire, D. DeWispelaere. *THIRD ROW:* J. Heath, R. Slack, T. Harnden, M. Thomas, E. Seibert.

Diamond Girls Shine

Cocaptains Ethel Vaughn and Cathy Taylor led the Girls' Varsity Softball team to a very successful season. Their only pitcher and Most Valuable Player, Paula Shorten, also helped Mount Vernon finish the year with a fine 7-3 season. Their strength in "offense" was only surpassed by that of their "defensive" unit. With many of the team returning, they are looking forward to another winning season.

J.V. Softball: *KNEELING:* S. Mitchell, J Smolins, J. Lefler, K. Kimble, M. Ruberton, L. Lindon. *STANDING:* K. Poydasheff, M. Segriest, K. Imhoff, M. Shine, C. Dunn, C. Duggon, L. McGrath, Coach Plaugher.

Toeman Build for Future

The Mt. Vernon soccer team only in its second season, was held back largely by inexperience. The experience the team had was Gary Etherington, Most Valuable Player. The toemans' only two victories were against tough team Fairfax, 4-3, and Lee, 2-0. All four goals scored against Fairfax were attributed to Etherington. The Lee Lancers later went on to become District Champs. The team consisted largely of young players whose lack of experience proved to be fatal, but they will be back next season with higher hopes.

J.V. Soccer—*FIRST ROW:* M. Wickam, S. Babcock, A. Gregorie, S. Murane, J. Boyce, D. Christianson, C. Curtis. *SECOND ROW:* B. Kutche, F. Payne, P. Sylvester, J. Young, S. Robinson, W. Christner. *THIRD ROW:* D. Schulz, N. Willis, J. Boyce, K. Rapkin, J. Daoulos, B. Carts, C. Boyle.

Track Teams Continue Winning Ways

Varsity Track—*FIRST ROW:* T. Weaver, C. Deitzel, B. Eckert, G. Lovett, K. Dilallo, S. Ryan, D. Bruner, D. Harrison, J. Bass. *SECOND ROW:* J. Louden, R. Philips, R. Davey, E. Hodgeson, Z. Blanding, K. Spence, G. Lewis, R. Higgins, R. Samples.

It takes a lot of endurance and determination to run four miles and to run the 100 in less than ten seconds. With practice it can be done. Although Mt. Vernon had a young team, they controlled opposing teams very well and dominated the field events. Their skill could be seen in the outcome of Regionals, when Jack Bass, the Most Valuable Performer, placed First in the long jump, Rick Mathis placed Second in that event, and Brett Eppert placed First in the high jump.

Last year's Girls' track team, only in their second year, never quite got out of the blocks. In individual sports such as track, scores never quite tell the tale, because in this sport, it is the individual standouts that make-up a team. One of these stars is Micky Harnden, who, for the second year in a row represented Mt. Vernon at State, coming up with a First place finish in the 50 yard hurdles. All-in-all the final standings placed the Girl's team Third in District.

Girl's Track—*FIRST ROW:* J. Shaw, C. Braun, M. Adinaro, D. Arnold, M. Carr, T. Demino, J. Moffitt. *SECOND ROW:* Coach Maddrey, S. Bradley, T. Packard, K. McNaughton, B. Super, E. Donahue, S. Racketeers Strong in Individual Talent

The tennis team, with only two seniors, was young but there was a lot of individual talent. Although the team did not have a good overall record, several individuals had outstanding ones. The number Two Single player and number One Doubles team made it to the quarterfinals in the District Tournament, and proved to be tough competition.

J. V. Tennis—J. Vincent, K.Westrich, M. Cassedy, E. Taylor, D. Aikin. *BELOW:* Varsity Tennis—D. Atkins, P. O'Neill, B. Aikin, R. Potter, J. MacDougall, E. Taylor.

Muscle, Strength, and Stamina

Led by the talents of Mark Hanley, Joe Conover, Dave Looft, and Bret Graham, the gymnastics team was composed of good individual talent. The team made a fine showing, with Mark Hanley and Joe Conover gaining high honors in state. Under the able coaching of Mr. Faulk, the team is once again looking forward to a bright season.

Ted Creekmore executes a perfect Gut-leveller on the mat. *Bret Graham* starts his routine with a Muscle-up.

Golfers Chip a 5-2 Record

The dedicated golfers finished the season with a 5-2 record, and a third place finish in the Gunston District last year. But far surpassing their record was a First Place finish in the Quantico Invitational Tournament, a prestigious event involving teams from all over the state. Experience is attributed to the Golfers' winning season last year. They can look forward to an outstanding future with eight returning letterman, led by their Most Valuable, Vic Esola.

Golf Team—*FIRST ROW:* G. Minjack, C. Kent, C. Bombard, R, Zollner. *SECOND ROW:* J. Marx, *MISSING:* V. Esola, B. Watts.

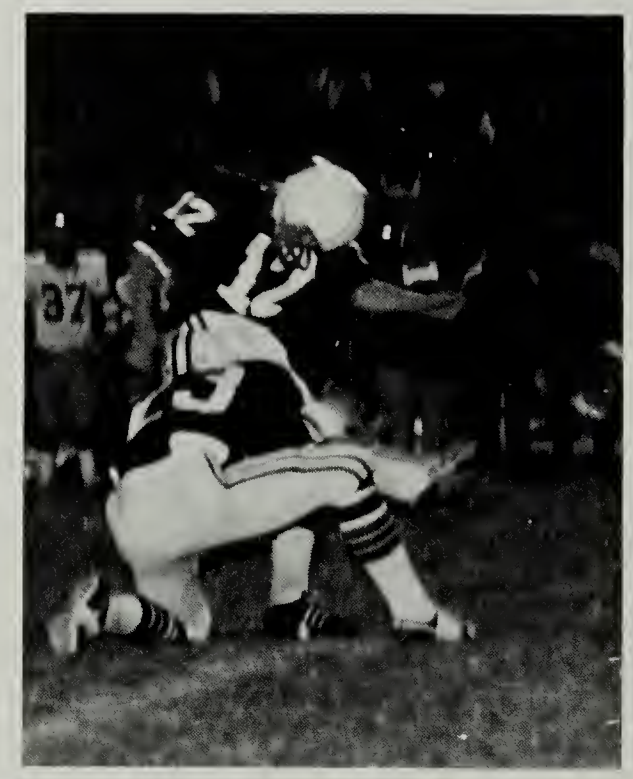
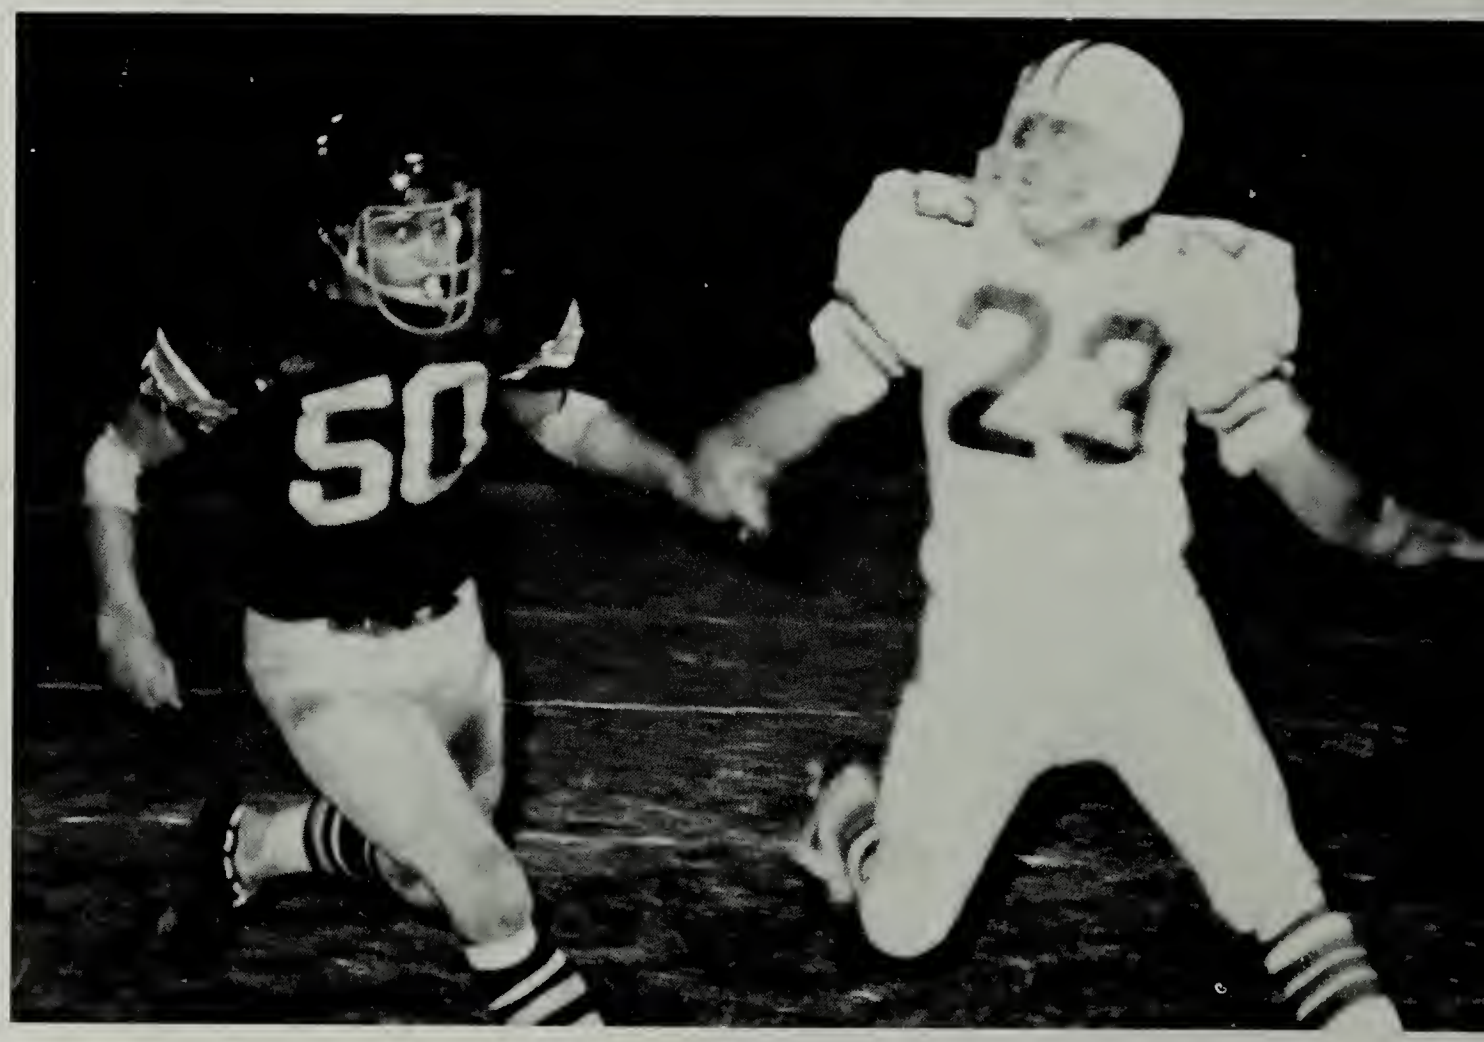
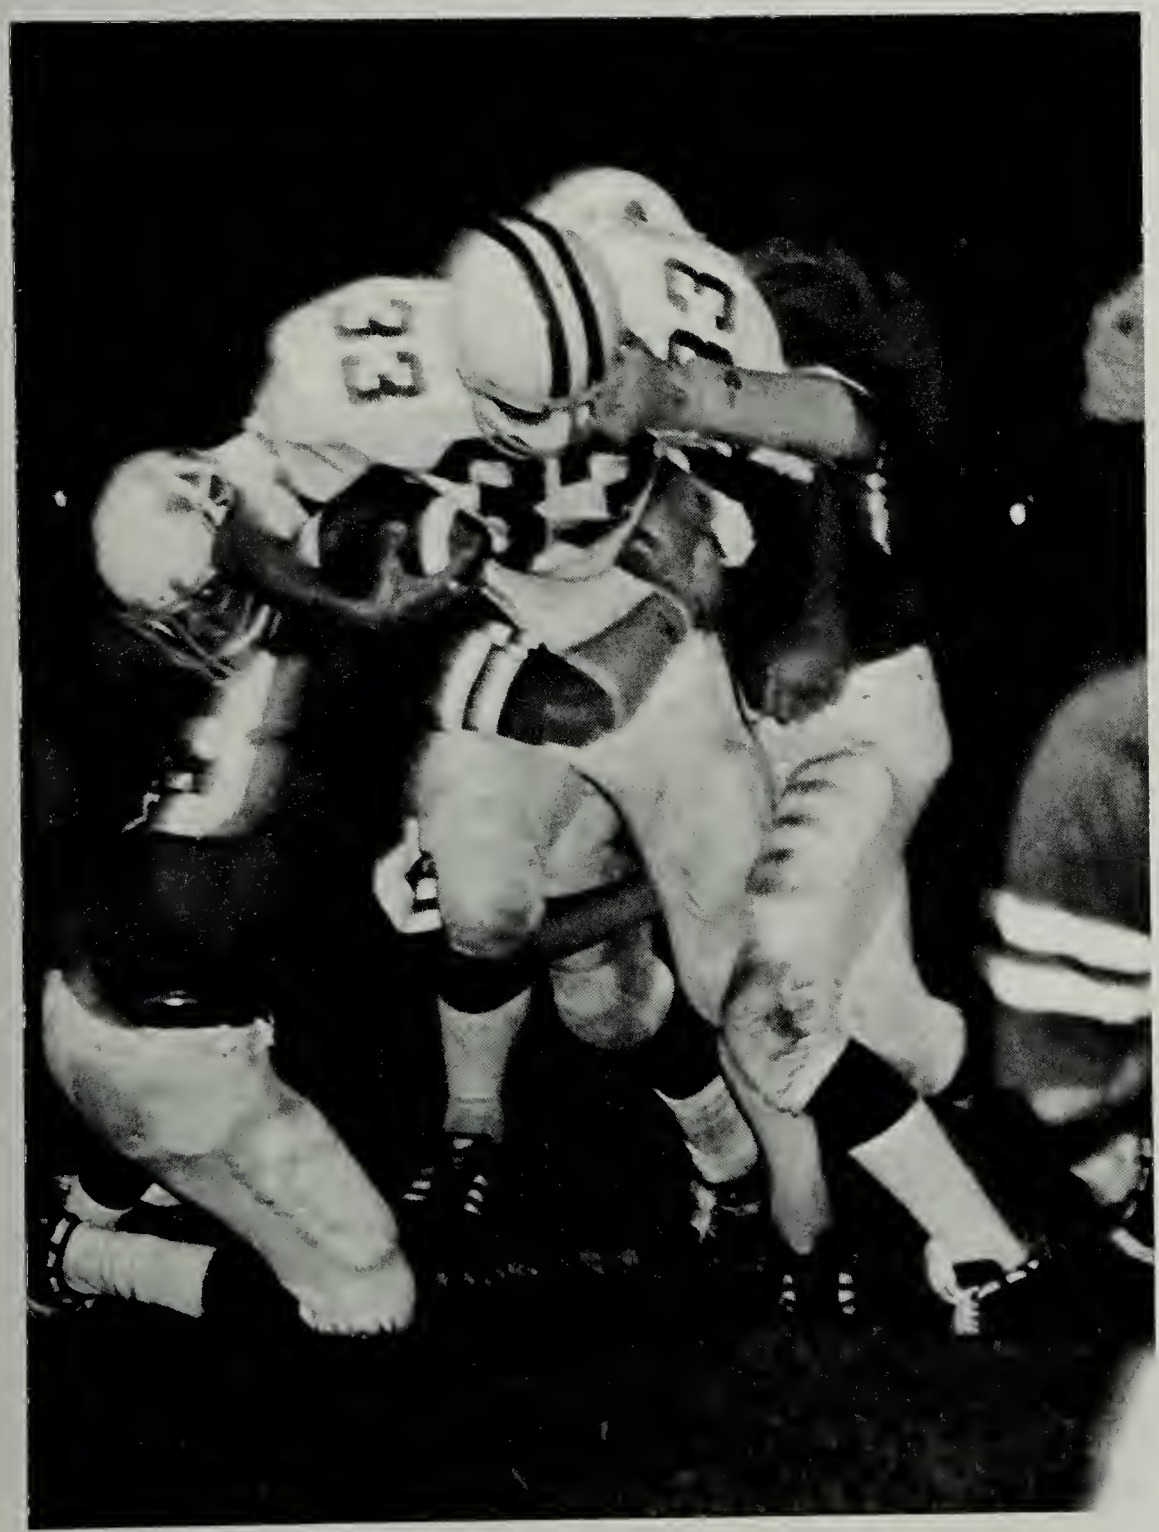
Determination Sparks Effort

Gary Etherington kicks for three points against the Fort Hunt Federals. *Latching on* to a pass Tim Ogilvie converts a crucial third down play. *"Before we go* any further, I'd like to know your intentions," asks Chip Hall.





There once was a football team, strong, skilled, and spirited. The season of 1974 was a season of hopes and dreams for the forty young men making up the Majors' Varsity squad. Although the Majors fought through a season filled with injuries, bad luck, and mistakes, they finished the season with a 2-8 record. Tarnished by a series of injuries, the team soon found what it was like to stick together, to try, to accept loss and to try again.



Coach Faulk talks over defensive strategy with Gary Keeler. *Jack Bass fights* through the Annandale defense. *Groveton defense* finds it difficult to bring John Barron down.

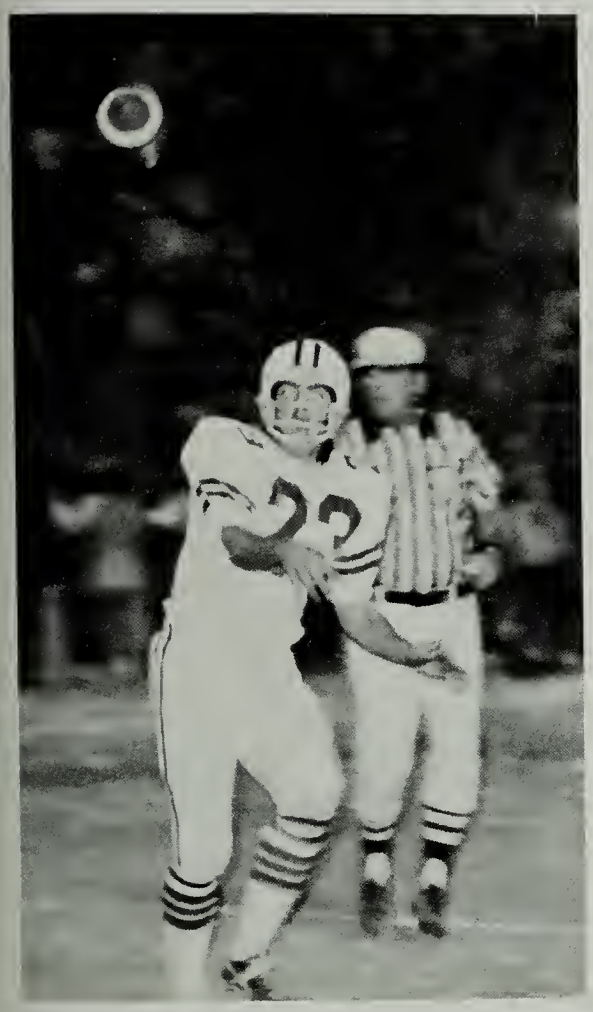
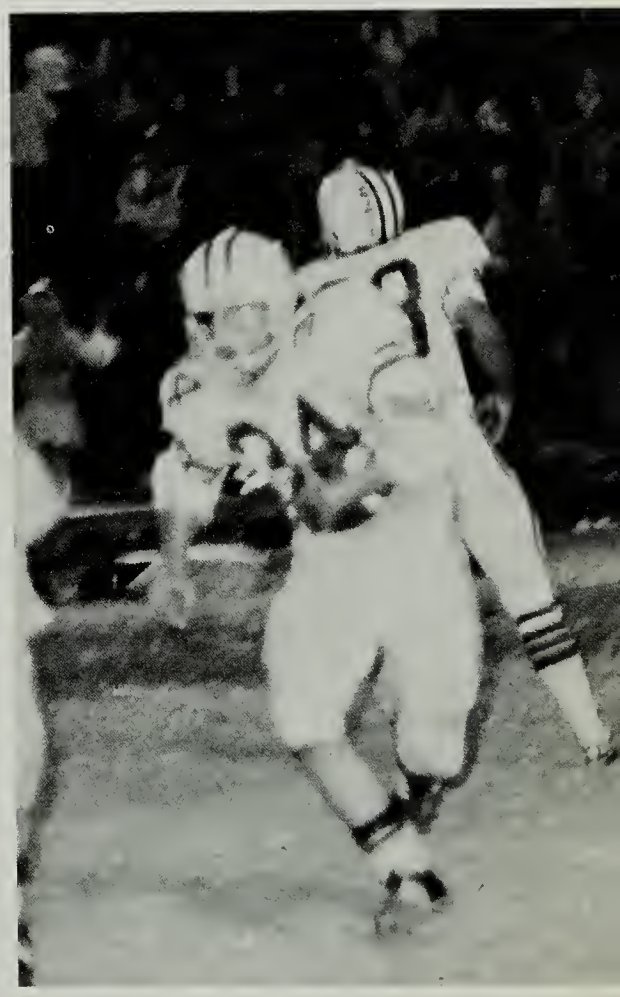
Frustrating Season



Yorktown, the season opener, proved to be a tough competitor, which handed Mount Vernon its first loss. The Majors came right back defeating an outstanding Marshall team, 13-12. The Homecoming Game gave the Majors a long awaited victory, which was a 38-0 shutout against Edison. The final two games of the season were heart-breaking losses to rivals Groveton and Fort Hunt, either of which could have been victories. The Major's offense had a good showing against Groveton, scoring 19, but the Tigers came out ahead to win, 19-20. In the season finale, the Major's defense held Fort Hunt to Six points, but the offense could only manage to score three points.

Brad Dunmire leads the way for Jack Bass through the Groveton line. *John Barron squeezes* between two would-be Groveton tacklers. *Chip Hall looks* long down-field to complete another pass. *Rick Curtis,* captian and defensive tackle, looks on as the offensive unit takes charge. *Randy Raeger turns* the corner and breaks away for a touchdown.



Experience

Experience was the only trophy gained by Mount Vernons' J.V. football team during their 1974 season. Repeated losses marked the teams' record, and their many aspirations for victory fell short. Yet, through a season of hard work and practice the team gained. Prepared for the rigor of Varsity football, the boys' have achieved an important goal!

Endurance, Talent, and Desire

Field Hockey is a rugged, yet skilled game requiring endurance, talent and a desire to win. The Mt. Vernon Girl's hockey team definitely displayed these characteristics in their 1974 season. Successfully ending with a 4-3-1 record, the girls ranked Third in the Gunston District. The season began with a win over T.C. Williams, 7-0, and remained untarnished until a defeat of 2-3 by Lake Braddock. Determination and teamwork continued to make the Varsity Girl's hockey team a winning team, and a challenge for the Number One spot in Gunston District next year.

Although hampered by lack of experience and a dismal season of 0-2-6, the Girl's J.V. hockey team came out smiling. Spirit, hardwork, and a desire to win gave the girls basis for a great defense. They could never quite get their offense motivated and ended the season with six ties.

Some fancy stick work is demonstrated by Sue Carr as she scoopes the ball downfield.

Endurance, Strength and Stamina

The 1974 Cross Country team, led by Greg Lovett, who placed Fourth in the State Finals, boasted a winning season. Practicing early in the morning and later in the afternoon, the team ran, on an average, twelve miles every other day and practiced 880 relays for the rest of the week. Their efforts, however proved to be rewarding, as Greg Lovett, Drew Graham and Brett Samples, some of the outstanding runners, led M.V. to an 8-4 record. The average three mile meets were generally competitive and close, although on several occasions M.V.'s team had overpowering wins. The Cross Country team found that a good philosophy to follow was "Endurance is our strength."

Brett Samples and Greg Lovett work out along the parkway. Greg Lovett shows his Fourth in state winning form.

Girl's Tennis

If you mix talent with spirit, sprinkle it with laughter and hard work, frost with a desire to win, you will have created the 1974-75 Mt. Vernon Girl's Tennis team. The season proved to be somewhat successful. The girls accomplished a 5-4 record and placed Fifth in the district. Gunston District remained in awe as freshman Vicky Williams took No. one Singles Player in the district. Kris Berg and Karen Botts combined to take Fourth Place in Doubles competition. All in all, the team showed much improvement and has great promise for next year. The road of success has been cleared and the girls are on their way.

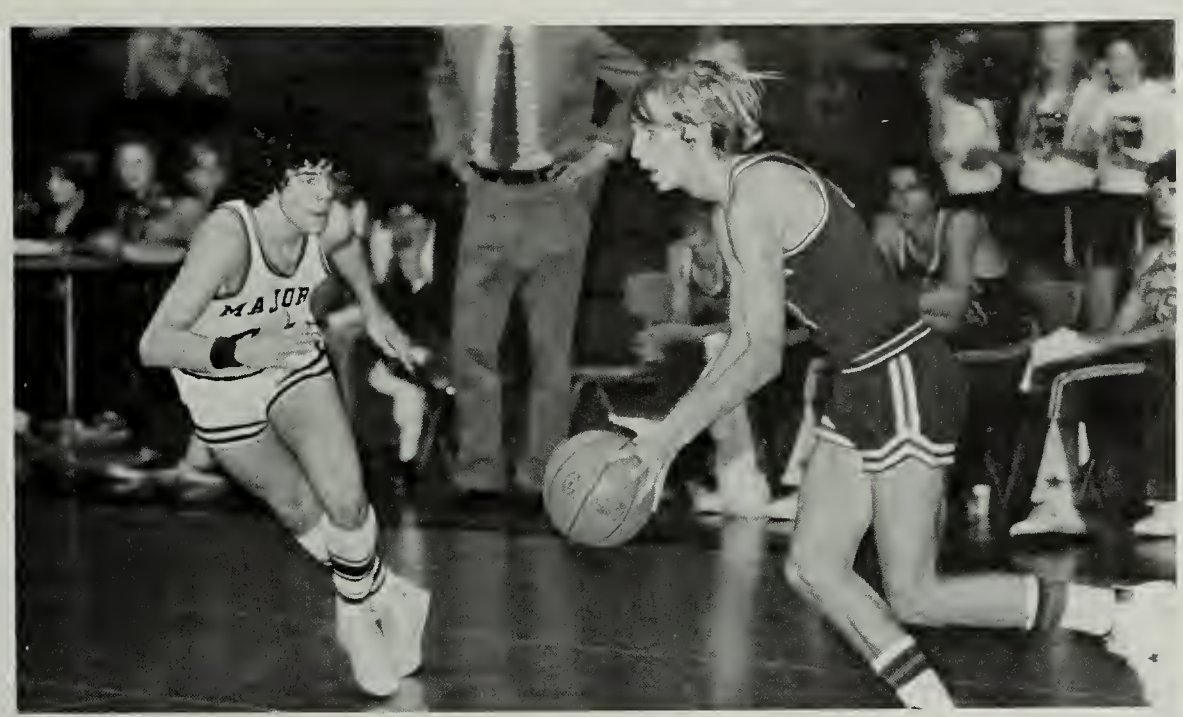
WINTER '75

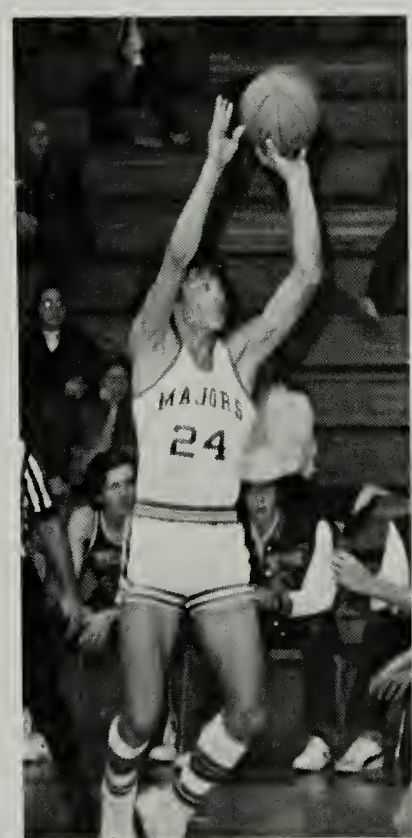
The Varsity Basketball Team, whose foundation was mostly juniors, achieved the most successful season a Mt. Vernon High School Team has had in many years. The season started slowly and saw the team suffer some narrow defeats; some lopsided defeats as well, complimented by only a handful of victories. As the season wore on, however, and experience was gained, the team performed much better and began to win those close ones that they would have lost earlier.

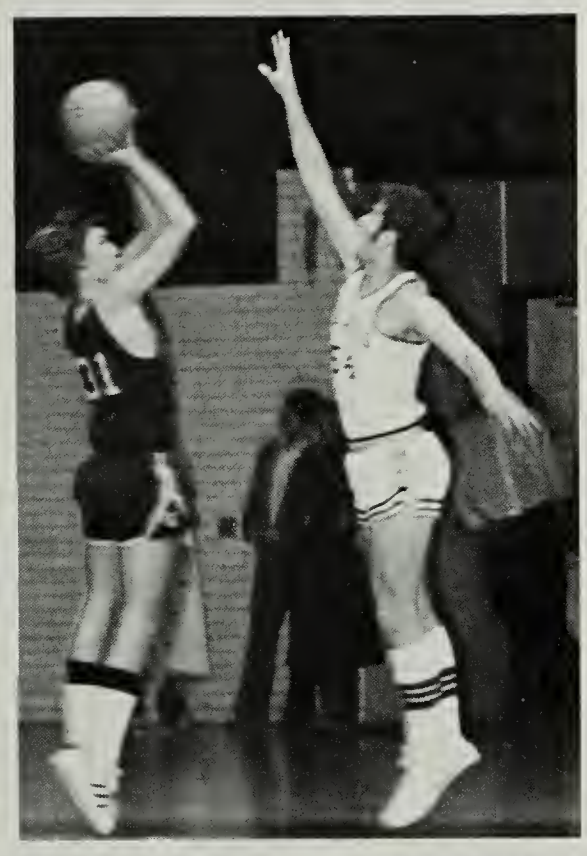
The team played particularly well in front of the home crowd, and had a streak of three one point victories in a row. One of these was their victory in the First Annual Mt. Vernon Invitational Christmas Basketball Tournament, in which they defeated Herndon and Garfield before a roaring holiday crowd. Atlee Hammaker, a standout all year, was named the Most Valuable Player in the tournament and Allen Hobbs joined him on the All-Tournament team.

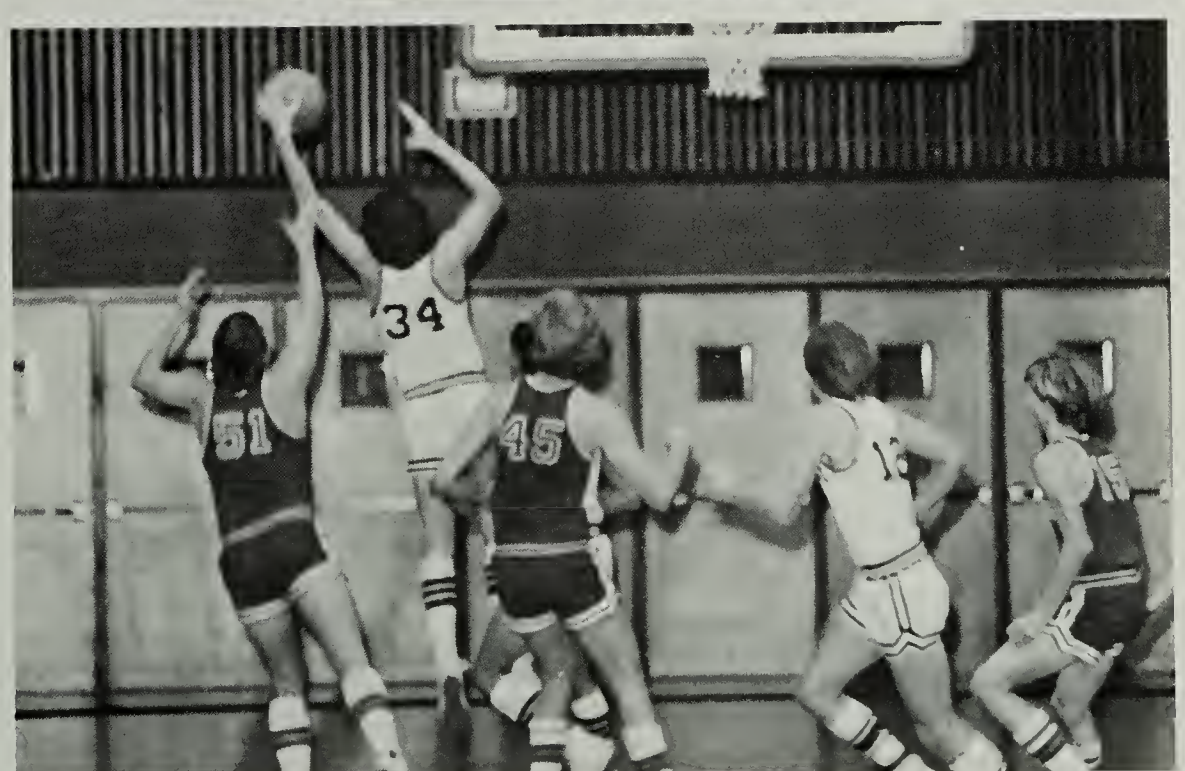
Hobbs and Hammaker had been the standouts up to that point, but right after the tournament senior Marty Quinn got rolling, turning in consistent double-figure games. Most of the offensive categories were owned by one of these three.

High points for the team came in the tournament when they defeated Hayfield, and when they were televised playing Lee. That was a big night even though Majors lost.









Marty Quinn gets in a good defensive stance. *Atlee Hammaker,* in the clear, tries for two. *Senior Rick Curtis* gives a good hand point. *Jim McGuire crashes* the boards and pulls a rebound.

Mt. Vernon's Junior Varsity basketball team is destined to enhance next year's varsity team with their talents. Bruce Patrick, the J.V. coach, claims this a good year but a better one next year. Rob Ciccone and Carlos Gilbert stood out as two outstanding players, but that is not to exclude the other team members. The J.V. team worked together for their goal, and in doing so improved the team. They had many close games such as the one between Lake Braddock and Hayfield. They were heartbreaking losses. Watch next year for the upcoming varsity players; it should be an impressive display.

The Mt. Vernon Girl's Varsity basketball team, combining individual talents and team effort, had a fine 1975 season. The varsity squad proved themselves by a major victory over the distinquished West Springfield team, who had remained unbeaten for three years. This victory led to wide recognition and the girls were soon regarded as a highly talented team. Hard work and long practices, inspired by Coach Deb Harlan, contributed to the fact that Mt. Vernon has a winning team.

Although hindered by a slow start, the J.V. Girl's basketball team has enjoyed a successful season. Coached by Miss Allen, the girls have worked with diligence and enthusiasum, and are to be congratulated for their efforts.

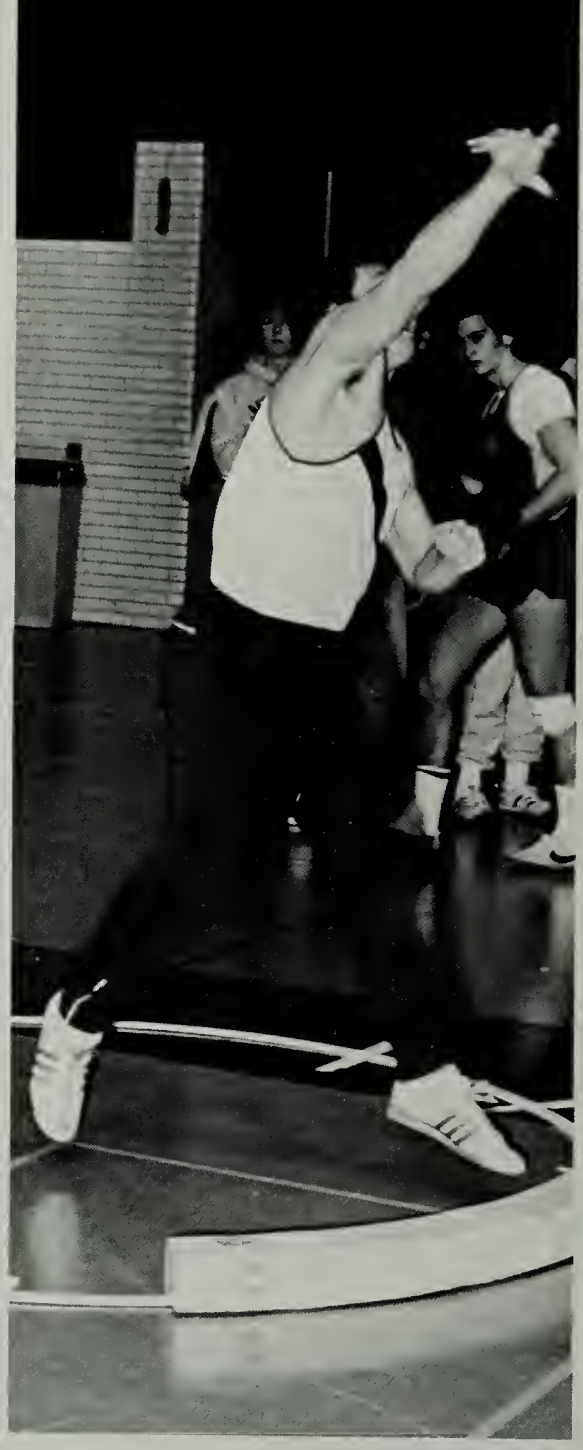
MV Displays Strength in District



Individual achievements and team unity was the formula for this years successful Mt. Vernon Winter track team. Ranking second in district, the teams 2-2 record does not show adequately the Majors individual talents. Three Gunston District records were established by the Majors at the District Winter track meet held at Mt. Vernon and seven team members represented Mt. Vernon at regionals. Outstanding team members are many, field events include Doug Barry, Gary Keeler, Jack Bass, Bret Eppert and Jack Lowden, running events include Kevin Spence, Greg Lovett, Mike Brown, Bret Samples and Drew Graham.

Bret Eppert clears 6'4" in the high jump. John Miller makes his move on the inside against Edison. Doug Barry heaves the shot during the Gunston District meet. Jack Bass stretches for every inch in the long jump. Drew Graham, leading the field, gives his all.

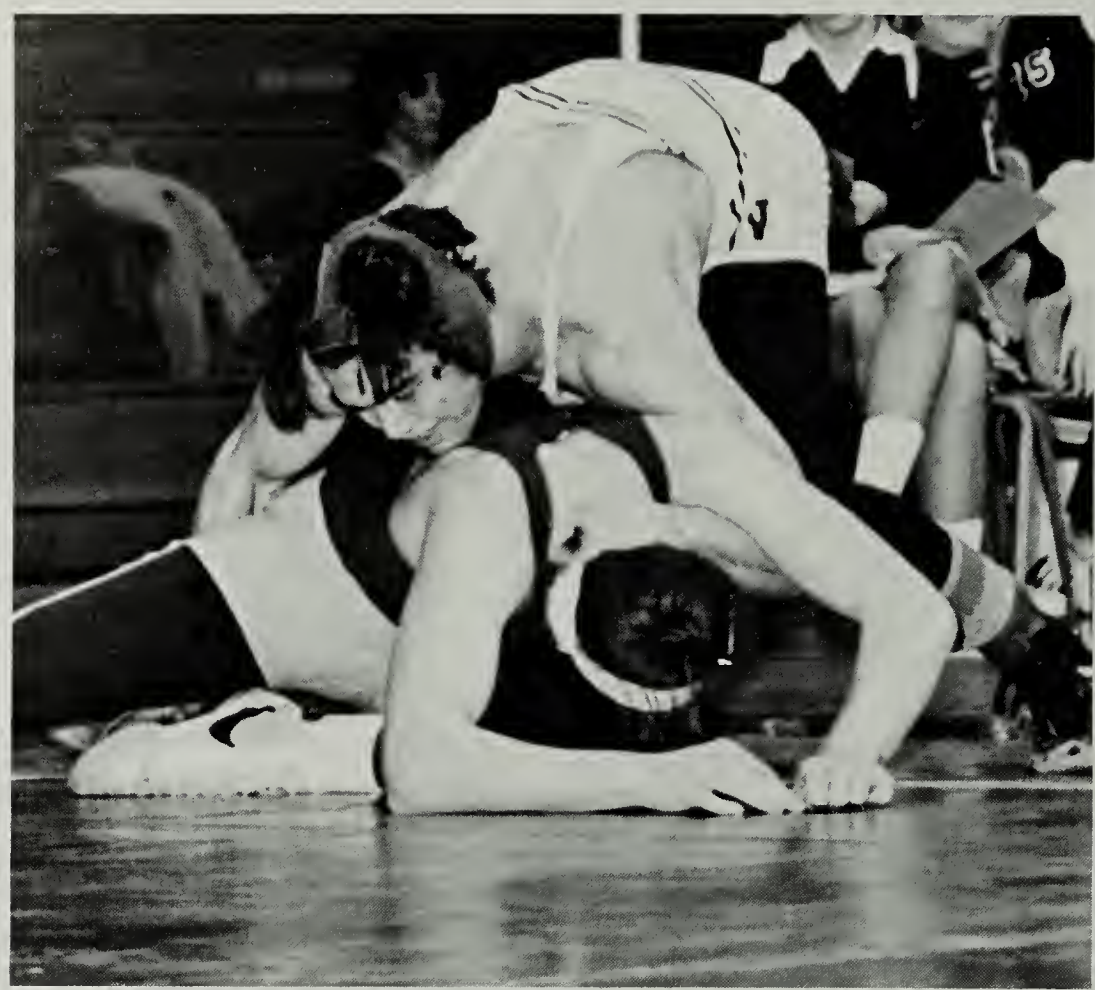
Outstanding Individuals Highlight Season



Despite injuries and inexperience, the Majors pulled through another successful season this year. Co-captains John Barron and Steve Gransback led the team, receiving strong support from the spirited fans. Outstanding team members included all captains: Mark Godfrey, Mike Crytzer, Robbie Kimble, and Shawn Flattery. Coach Kendall is looking forward to another promising season with the return of the experienced sophomores and juniors.

The Girl's Gymnastics team has enjoyed the rewards of hard practices during their summer and after school hours. Under the excellent and competent direction of Coach Faulk, the girls chalked up a winning season. The Varsity squad attended the Stafford and Woodbridge invitational meets and beat many area schools. Each girl gymnist must radiate self-assurance and confidence in order to execute a good performance, and they must have a strong will and dedication for gymnastics. The girls felt that much of their success was owed to Coach Faulk whose well disciplined coaching was often demanding but necessary. "Thanks Coach!"

Bright Future Foreseen

Greatly improved from last year, it appears that the Mt. Vernon Swim team has a bright future in store for them. Enjoying a successful season of 5-2, the team is largely composed of freshman and sophmores. Although young, the swim team has demonstrated that it is definitely not inexperienced, but enthusiastic and talented. Coach Gaudreault, along with captains Lee Jones and Karen Botts, have instilled confidence and strong determination in each individual, and spirit has been present throughout the season. Jeb Boyce and Judy Bradley are among those representing Mt. Vernon in the diving competition.

The road always seems endless, when we, as students, must learn to tell the difference from right and wrong. Many times decisions seem so hard to make, so confusing and frustrating. "Shall I follow the crowd, or shall I stick to my own beliefs? "Will I be accepted by my friends, or turned away and laughed at?" We always seem to be so afraid to do what we know is right, and yet ashamed to do what is wrong. Groups must be picked, popularity is assumed. Shall we be individuals or conformists? Decisions, decisions . . .

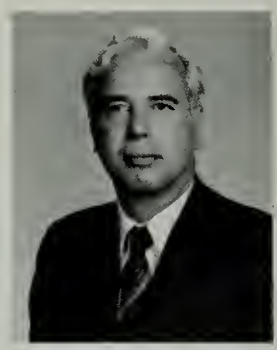
FACULTY

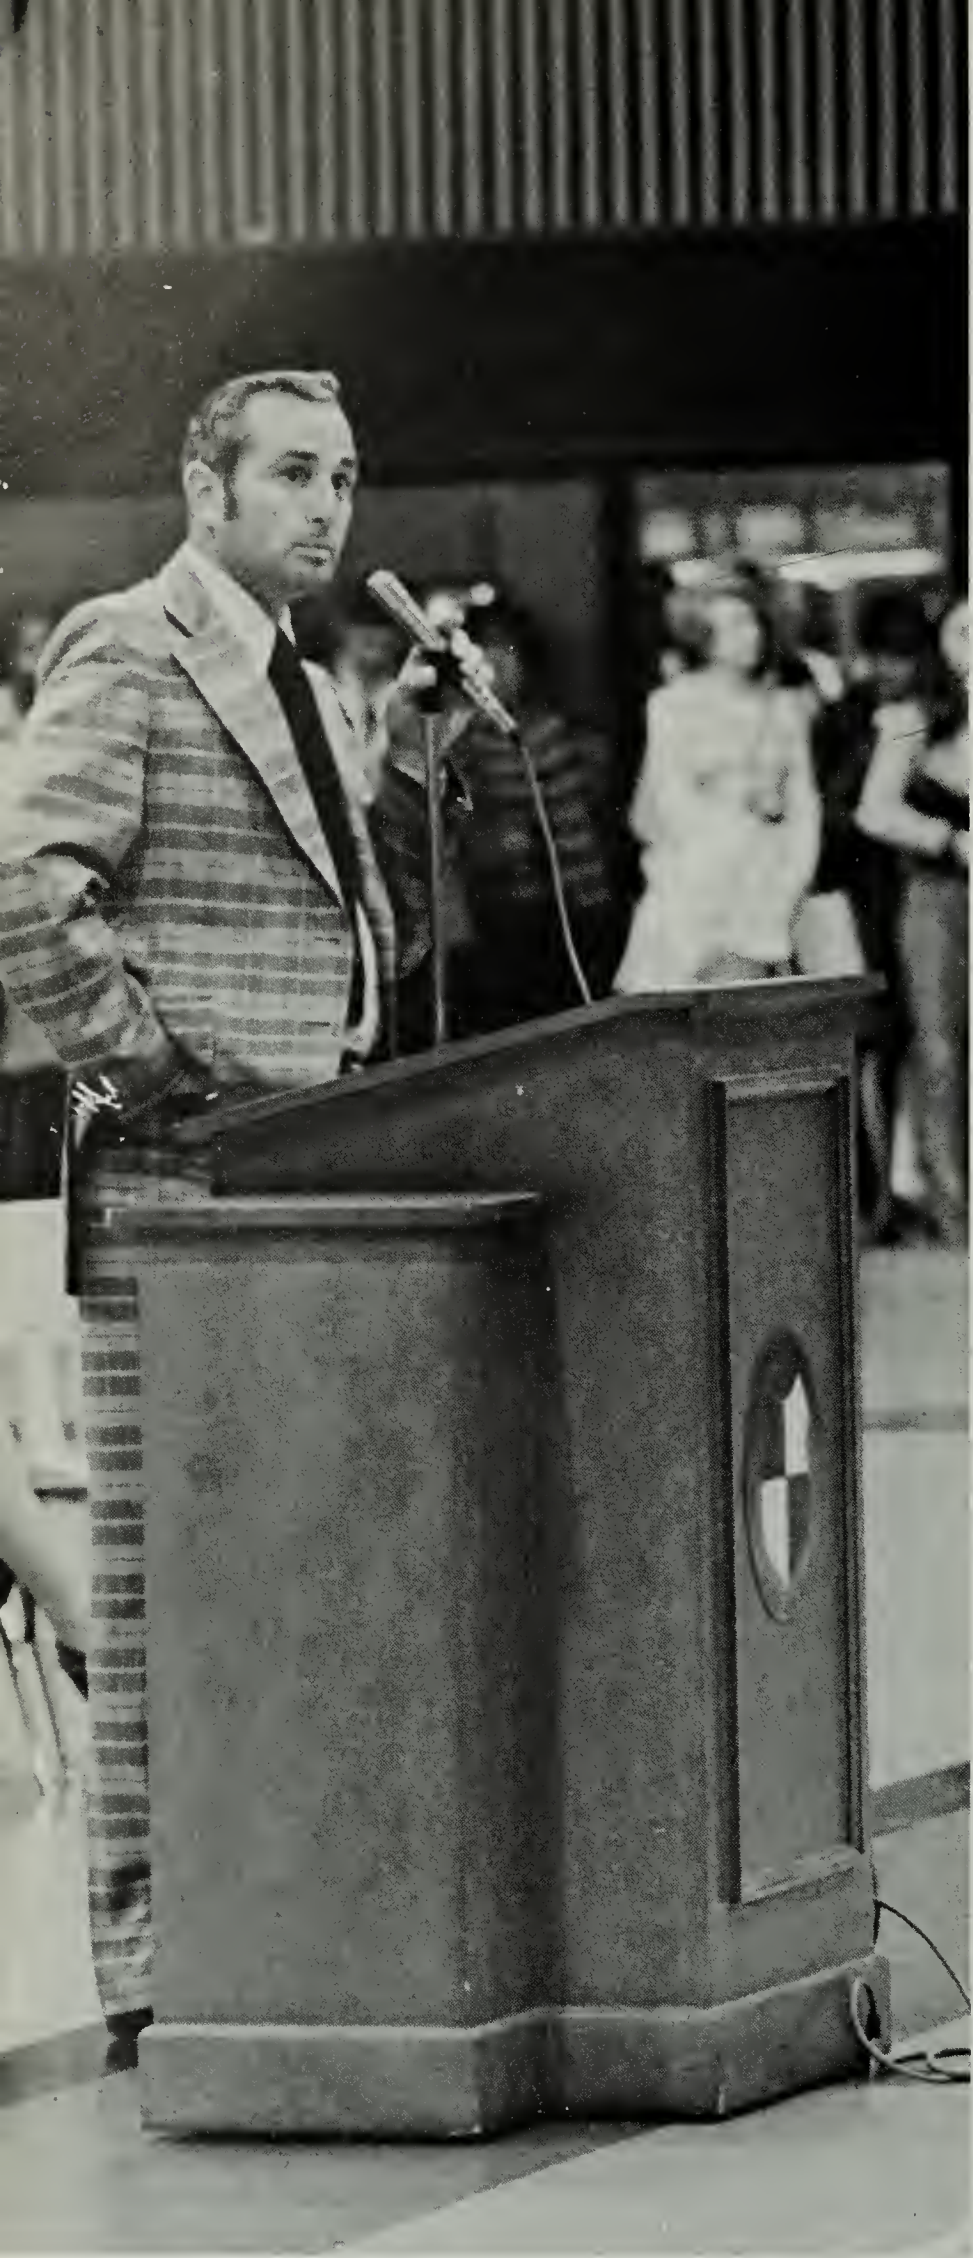
Administration

MR. FRANK BERNARD
Assistant Principal.

MR. JOHN S. DAVIS
Superintendent of Fairfax County Public Schools.



Administration is the spool that holds the thread together. This year the school was divided into four sub schools, one for each grade. Although it was the sub school that had direct contact with the students, it was the administration that kept the school running smoothly and competently.



THOMAS J. HYER

Principal

Sub School IV

MRS. MARGARET BARRY
Guidance Counselor.

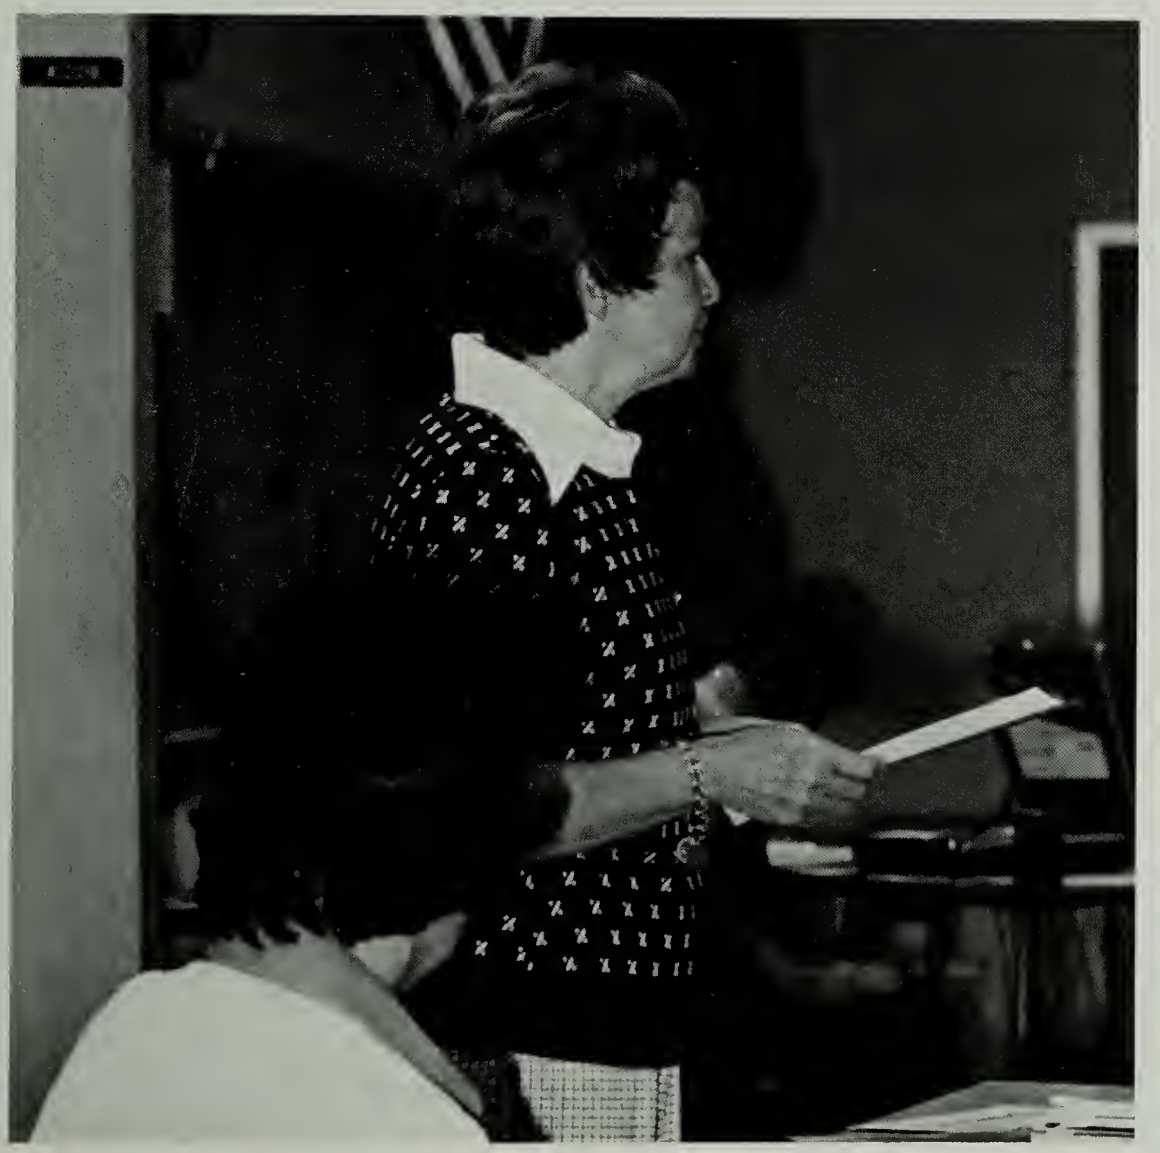
MR. VICTOR KAZLAUSKY
Sub School IV Principal.

MRS. RITA McCARTHY
Secretary.

MISS POLLY WAID
Guidance Counselor.

The Seniors were busy preparing for the future in Sub School IV. College applications were forever being turned in to Mrs. Barry or Miss Waid, while Mr. Victor Kazlausky kept a careful eye on the behavior of the seniors.

Mr. Hyer addresses parents on Back to School Night. Mr. Kaz is staring at that blank wall again. Mrs. Barry tries to convince the students that SAT's can be fun. "One ringy dingy, two ringy dingy", as Mrs. McCarthy waits for the answer.



Sub School III

MRS. SHIRLEY DEWISPELEARE
Secretary.

MRS. AUDREY MORRISON
Instructional Aide.

MR. THOMAS PROPPS
Sub School III Principal.

MR. DON WEINHEIMER
Guidance Counselor.

The most important step in high school is the step up to be a senior. If there wasn't Mr. Propps and his fearless troops the class of '76 might not have made it. The juniors pulled through the year because of the Sub School III gallant staff.

Sub School II

MISS DOROTHY PLYLER
Guidance Counselor.

MRS. MARGARET REED
Guidance Counselor.

MR. MICHAEL SKINNER
Sub-School II Principal.

MRS. MARY JANE THORNTON
Secretary.

Without the great Sub School II staff the sophomores might not have been able to leap over the half way mark in high school. Lead by Mr. Michael Skinner, the students learned the reality of discipline and that the nickle he gives out for each tray isn't a bribe to be good.

"Ah, these kids are great," chuckles Mrs. Morrison. Mr. Propps seems to be admiring something pretty?! "I hope I can help this one!" wonders Mr. Weinheimer. Can you believe it? Mr. Skinner hands out nickels! "Eck, more work!" expresses Mrs. Thorton.
